OPTIMA/JPOINT HANDGUN MOUNTS EGW SIGHT MOUNT FOR DELTAPOINT PRO SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the EGW Optima/JPoint/Delta Point Mount for your firearm. This guide provides essential safety instructions to ensure the proper installation and use of the mount. Please read this document carefully to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care and follow all applicable laws and regulations.
- Keep the mount and all components out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before use.
- In case of any malfunction or suspicion of damage, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use the EGW mount with compatible red dot sights: Optima, JPoint, or Delta Point.
- Do not modify the mount or firearm in any way that could compromise safety.
- Ensure that the firearm is unloaded before installing or removing the mount.
- Use the included mounting hardware only; do not substitute with other fasteners.
- When adjusting or tightening the mount, do so with care to avoid overtightening, which could damage the firearm or mount.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools: screwdriver (if required) and the included mounting hardware.

2. Removal of Rear Sight

- Carefully remove the rear sight from your firearm according to the manufacturer's instructions.
- Set the rear sight aside in a safe location.

3. Installation of the EGW Mount

- Align the EGW mount with the mounting holes on your firearm.
- Insert the provided screws into the holes and tighten them securely, ensuring the mount is firmly attached.
- Do not exceed the recommended torque specifications to avoid damage.

4. Mounting the RedDot Sight

- Following the manufacturer's instructions for your red dot sight, attach it to the EGW mount.
- Ensure the sight is securely fastened and properly aligned.

5. Final Checks

- After installation, doublecheck that all screws are tight and that the mount is stable.
- Perform a function check on your firearm to ensure everything operates correctly.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the mount reaches the end of its usable life or is damaged beyond repair, dispose of it in a manner that complies with local electronic waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the EGW Optima/JPoint/Delta Point Mount, please refer to the manufacturer's contact details provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the EGW Optima/JPoint/Delta Point Mount. Always prioritize safety and consult professionals when in doubt. Thank you for your commitment to responsible firearm ownership.
