# Safety Instruction Guide for OPTIMA/JPOINT HANDGUN MOUNTS

## Introduction

Thank you for choosing the EGW Optima/JPoint/Delta Point Mount for your Ruger Auto handgun. This guide provides important safety information and instructions to ensure the proper and safe use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the mount is compatible with your specific handgun model.
- Always handle firearms with care and follow basic gun safety rules.
- Use the mount only with approved reddot sights: Optima, JPoint, or Delta Point.
- Inspect the mount and hardware for any signs of damage before installation.
- Keep the mount and associated tools out of reach of children and unauthorized users.
- If you experience any issues with the mount, stop using it immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not modify the mount or your firearm in any way that could compromise safety.
- Ensure that the firearm is unloaded before attempting to install or remove the mount.
- Avoid using the mount in wet or extreme weather conditions unless it is specifically rated for such use.
- If you notice any instability or movement of the mount during use, discontinue use and check for proper installation.
- Follow the manufacturer's recommendations for the reddot sight you are using with the mount.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and the mounting hardware included with the product.

### 2. Removing the Rear Sight:

- Carefully remove the existing rear sight from your Ruger Auto handgun. Follow the manufacturer's instructions for your specific model.

### 3. Installing the EGW Mount:

- Align the EGW mount with the mounting holes on your handgun.
- Insert the provided screws into the holes and tighten securely using the appropriate tool. Do not overtighten, as this may damage the mount or firearm.

### 4. Mounting the RedDot Sight:

- Attach your Optima, JPoint, or Delta Point reddot sight to the EGW mount according to the sight's installation instructions.
- Ensure that the sight is securely fastened and properly aligned.

### 5. Final Checks:

- Doublecheck all screws and connections to ensure everything is secure.

- Conduct a function check of your firearm to ensure proper operation with the new mount.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local regulations for waste disposal.
- If the mount is damaged beyond repair, dispose of it in accordance with local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation or use of the EGW Optima/JPoint/Delta Point Mount, please contact your local retailer or visit the manufacturer's website for support.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your EGW Optima/JPoint/Delta Point Mount. Always prioritize safety and consult professionals if you are uncertain about any aspect of installation or usage. Thank you for your attention to these important safety measures.
