Safety Instruction Guide for EGW Optima/JPoint/Delta Point Mount

Introduction

Thank you for choosing the EGW Optima/JPoint/Delta Point Mount for your S&W 52 handgun. This safety instruction guide is designed to ensure your safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read the following instructions carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Keep the mount and all components out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- If you notice any defects, do not use the mount and contact a qualified professional for assistance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify the mount or your firearm in any way.
- Ensure that the firearm is unloaded before removing the rear sight or installing the mount.
- Use only the mounting hardware provided with the product for installation.
- Avoid using the mount in extreme conditions (e.g., high humidity, extreme temperatures) that may affect its integrity.
- Be cautious when handling tools during installation to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools (screwdriver, etc.) for installation.

2. Removing the Rear Sight:

- Carefully remove the existing rear sight from your S&W 52 handgun according to the manufacturer's instructions.

3. Installing the EGW Mount:

- Align the EGW mount with the mounting holes on the handgun.
- Use the provided mounting hardware to secure the mount in place.
- Ensure all screws are tightened but do not overtighten to avoid damaging the mount or firearm.

4. Mounting the RedDot Sight:

- Follow the manufacturer's instructions for mounting your Optima, JPoint, or Delta Point red dot sight onto the EGW mount.
- Ensure that the sight is securely attached before use.

5. Final Check:

- Inspect the installation to ensure everything is secure.
- Conduct a function check of your firearm to ensure proper operation.

Disposal Instructions

- Dispose of the EGW mount and any packaging materials in accordance with local regulations for electronic waste and nonhazardous materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or installation, please consult the manufacturer or a qualified professional. It is important to have a reliable source for assistance to ensure the safe use of your product.

By following these guidelines, you help ensure your safety and the effective performance of your EGW Optima/JPoint/Delta Point Mount. Thank you for your attention to these important safety instructions.
