Safety Instruction Guide for OPTIMA/JPOINT HANDGUN MOUNTS EGW UNIVERSAL .670" RADIUS SIGHT MOUNT FOR DELTAPOINT PRO BLACK

Introduction

Thank you for choosing the EGW Optima/JPoint/Delta Point Mount. This guide provides essential safety instructions and information to ensure the proper and safe use of your handgun mount. Please read this guide carefully before installation and usage.

General Safety Guidelines

To ensure your safety and the safe use of this product, please adhere to the following guidelines:

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before installing or removing the mount.
- Only use the mount with compatible red dot sights: Optima, JPoint, or Delta Point.
- Regularly inspect the mount for any signs of wear or damage before use.
- Do not modify the mount in any way, as this may compromise safety and functionality.
- Keep the mount and all related components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

When using the EGW Optima/JPoint/Delta Point Mount, please take the following precautions:

- Ensure that the firearm is pointed in a safe direction at all times during installation and usage.
- Wear appropriate eye protection while handling and installing the mount.
- Follow the manufacturer's instructions for the installation of the red dot sight.
- Be aware of the potential for recoil when using the firearm with the mounted sight.
- Avoid using the mount in extreme environmental conditions that may affect its performance, such as excessive heat, cold, or moisture.

Instructions for Installation and Usage

Follow these steps for the safe installation and usage of the EGW Optima/JPoint/Delta Point Mount:

1. Preparation:

- Ensure your firearm is unloaded.
- Gather necessary tools for installation (e.g., screwdriver).

2. Removing the Rear Sight:

- Carefully remove the rear sight from your firearm following the manufacturer's instructions.

3. Installing the EGW Mount:

- Align the EGW mount with the mounting holes on your firearm.
- Secure the mount using the provided mounting hardware. Ensure it is tightened properly but do not overtighten.

4. Mounting the RedDot Sight:

- Attach your Optima, JPoint, or Delta Point reddot sight to the EGW mount.
- Follow the sight manufacturer's instructions for proper installation.

5. Final Checks:

- Ensure that all components are securely attached.
- Inspect the mount and sight for any movement or looseness.

6. Usage:

- Always follow safe firearm handling practices while using your firearm with the mounted sight.
- Regularly check the mount and sight for secure attachment before each use.

Disposal Instructions

When disposing of the EGW Optima/JPoint/Delta Point Mount, please consider the following:

- Do not dispose of the mount in regular household waste.
- Follow local regulations for the disposal of electronic and metal components.
- If applicable, recycle components according to local recycling programs.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the EGW Optima/JPoint/Delta Point Mount, please refer to the manufacturer's official website or customer service channels. They will provide you with the necessary support and information.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your EGW Optima/JPoint/Delta Point Mount.
