

# SAVAGE EDGE/AXIS SCOPE BASES - EGW SAVAGE EDGE/AXIS 0 MOA SILVER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Savage Edge, Axis Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [EGW SAVAGE EDGE/AXIS 0 MOA SILVER](#)
- Manufacturer: [EGW](#)
- Product no.: 296000424
- Mfr. No.: 41801

# Safety Instruction Guide for EGW Savage Edge/Axis Scope Bases

## Introduction

Thank you for choosing the EGW Savage Edge/Axis Scope Bases. This product is designed to enhance your shooting experience by providing a reliable and versatile mounting solution for your scope. It is important to read and understand this safety instruction guide to ensure proper use and to maximize safety.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount scopes on Savage Edge and Axis firearms.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the scope bases for signs of wear or damage before each use.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope bases.
- Use caution when handling tools and screws during installation to avoid injury.
- Do not exceed the recommended torque of 20 inch lbs when securing the scope bases.
- Use a drip of blue loctite to secure screws and prevent loosening due to recoil.
- Ensure that the scope is properly aligned and securely mounted before use.
- Be aware of the potential for recoil when using the firearm, which can affect the stability of the scope mount.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a socket head Torx® wrench.
- Ensure the firearm is unloaded and in a safe location.

### 2. Installation Steps

- Locate the factory scope mount holes on the firearm's receiver.
- Align the EGW Savage Edge/Axis Scope Base with the predrilled holes.
- Insert the provided socket head Torx® screws through the base into the holes.
- Tighten the screws using the Torx® wrench, applying a torque of 20 inch lbs.
- Apply a drip of blue loctite to each screw to secure them in place.

### 3. Scope Mounting

- Choose your desired scope and ensure it is compatible with Picatinny or Weaver rings.
- Attach the scope rings to the rail, ensuring they are properly aligned.
- Secure the scope in the rings according to the manufacturer's instructions.

### 4. Final Checks

- After installation, doublecheck all screws and connections to ensure they are secure.
- Test the scope alignment and adjust as necessary for optimal eye relief and accuracy.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and aluminum waste.
- Do not dispose of the product in regular household waste.
- Check with local waste management services for proper disposal guidelines.

## Contact Information for Further Support

For any questions regarding safety, installation, or product performance, please refer to the manufacturer's website or contact customer support directly. Always ensure that you have the latest information and guidelines for safe use.

By following this safety instruction guide, you can enhance your shooting experience with the EGW Savage Edge/Axis Scope Bases while ensuring safety and compliance with applicable regulations. Thank you for your attention to these important safety measures.
