

SPRINGFIELD 03A3/03A4 STEEL HD SCOPE BASES - EGW

SPRINGFIELD 03A3/03A4 0 MOA STEEL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Springfield 03A3/03A4 Heavy Duty Steel Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from hardened steel with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty (HD) mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to $\pm .002$ ". Machined from ultra-rigid 4140 carbon steel pre-hardened to Rc 35-35 before machining. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

Safety Instruction Guide for SPRINGFIELD 03A3/03A4 STEEL HD SCOPE BASES

Introduction

Thank you for purchasing the EGW Springfield 03A3/03A4 Heavy Duty Steel Scope Bases. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a scope base for Springfield 03A3/03A4 rifles.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the product regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to scope misalignment or detachment, resulting in potential injury.
- Using incompatible scope rings may compromise the integrity of the setup.
- Excessive torque during installation can damage the scope base or the rifle receiver.

- **Avoiding Hazards:**

- Always use the recommended torque of 20 inch lbs when installing the scope base.
- Use only Picatinny or Weaver scope rings that are compatible with the rail specifications.
- Ensure that the base is securely mounted before attaching any optics.

- **Audience Specific Warnings:**

- This product is not intended for use by individuals under the age of 18. Adult supervision is advised during installation and usage.
- Individuals with limited experience in firearm accessories should seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Gather the necessary tools, including a socket head Torx® wrench and blue Loctite.
- Ensure the rifle is unloaded and pointed in a safe direction.
- Locate the factory scope mount holes on the rifle's receiver.
- Align the scope base with the mount holes, ensuring proper fit.
- Insert the provided Torx® screws into the mount holes and tighten them to the recommended torque of 20 inch lbs.
- Apply a small drop of blue Loctite to the screws to secure them in place.

2. Usage:

- After installation, attach your Picatinny or Weaver scope rings to the base.
- Ensure that the scope is properly aligned and secured in the rings.
- Adjust the eye relief and make any necessary changes for optimal viewing.
- Regularly check the tightness of the screws and the stability of the scope setup before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

- For any inquiries regarding product safety or installation, please refer to the manufacturer's website or customer service for assistance.

Thank you for choosing EGW Springfield 03A3/03A4 Steel HD Scope Bases. Your safety and satisfaction are our top priorities.
