

# T/C VENTURE & COMPASS LONG ACTION SCOPE BASES - EGW T/C VENTURE & COMPLASS LONG ACTION 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Thompson Center Venture & Compass Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [EGW T/C VENTURE & COMPLASS LONG ACTION 20 MOA](#)

# Safety Instruction Guide for T/C Venture & Compass Long Action Scope Bases

## Introduction

Thank you for choosing the EGW Thompson Center Venture & Compass Long Action Scope Bases. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure a safe and effective experience with your product. Please read this document thoroughly before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly check the product for wear and damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible Picatinny or Weaver scope rings with this product.
- Ensure that the mounting screws are securely tightened to the recommended torque of 20 inch lbs.
- Use a drop of blue Loctite on the screws to prevent loosening during use.
- Avoid overtightening screws, as this may damage the product or the firearm.
- Do not modify the scope bases or firearm in any way that could compromise safety.
- Always check the alignment of the scope after installation to ensure proper sighting.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Gather all necessary tools, including a Torx® wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.

#### 2. Mounting the Scope Base:

- Locate the factory scope mount holes on the firearm's receiver.
- Align the EGW scope base over the mount holes.
- Insert the socket head Torx® screws into the holes and handtighten them.

#### 3. Securing the Base:

- Use the Torx® wrench to tighten the screws to a torque of 20 inch lbs.
- Apply a drop of blue Loctite to each screw before final tightening to prevent loosening.

#### 4. Attaching the Scope:

- Attach your Picatinny or Weaver scope rings to the mounted base.
- Follow the scope manufacturer's instructions for proper mounting.

#### 5. Final Checks:

- Ensure that all screws are tightened and that the scope is properly aligned.
- Perform a function check to ensure that everything is secure before taking the firearm to the range.

## **Usage Instructions**

- Always handle the firearm and scope with care.
- Regularly check the scope base and rings for looseness or wear.
- If any issues arise, cease use immediately and consult a professional.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure that you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your EGW Thompson Center Venture & Compass Long Action Scope Bases responsibly!
