VORTEX RAZOR HANDGUN MOUNTS USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Vortex Razor Handgun Mount by EGW. This guide provides essential safety instructions, installation procedures, and general guidelines to ensure safe and effective use of your product. Please read this manual carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure the mount is compatible with your handgun model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Regularly inspect the mount for signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the mount if it is damaged or if any components are missing.
- Always ensure that the firearm is unloaded before attempting to install or remove the mount.
- Avoid using the mount in adverse weather conditions that may affect performance.
- Follow all manufacturer guidelines for the care and maintenance of your firearm and accessories.
- Use only the mounting hardware provided with the product to ensure secure attachment.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a screwdriver.

2. Removing the Rear Sight:

- Carefully remove the rear sight from your handgun according to the firearm's user manual.
- Store the rear sight in a safe place for future use.

3. Installing the EGW Mount:

- Align the EGW mount with the mounting points on your handgun.
- Securely attach the mount using the provided mounting hardware.
- Ensure that all screws are tightened properly to prevent movement during use.

4. Mounting the Vortex Razor Red Dot:

- Follow the manufacturer's instructions for attaching the Vortex Razor Red Dot to the EGW mount.
- Adjust the red dot for optimal visibility according to your preferences.

5. Final Checks:

- Inspect the installation to ensure everything is secure and properly aligned.
- Test the functionality of the mount and red dot before use at a shooting range.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and firearm accessories.
- Do not dispose of the mount in household waste. Check for recycling options or designated disposal sites.
