VORTEX RAZOR HANDGUN MOUNTS USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the EGW Vortex Razor Handgun Mount. This guide provides important safety instructions and information to ensure safe use and installation of the mount for your Vortex Razor Red Dot. Please read this manual carefully before use to understand all safety precautions and installation steps.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this manual.
- Do not use the product if you notice any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Always ensure that the handgun is unloaded before attempting to install the mount.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- Only use the EGW Vortex Razor Handgun Mount with compatible handguns as specified by the manufacturer.
- Do not modify the mount or the handgun in any way that is not described in this manual.
- Regularly check the mounting hardware to ensure it is secure and in good condition.
- If you experience any issues with the mount or the red dot sight, discontinue use immediately and seek assistance.
- Always follow firearm safety rules, including treating every firearm as if it is loaded.

Instructions for Installation and Usage

1. Preparation:

- Ensure your handgun is unloaded and pointed in a safe direction.
- Gather the necessary tools: a screwdriver suitable for the mounting hardware.

2. Removing the Rear Sight:

- Locate the rear sight on your handgun.
- Carefully remove the rear sight using the appropriate tool. Follow the manufacturer's instructions for your specific handgun model.

3. Installing the EGW Mount:

- Align the EGW Vortex Razor Mount with the mounting area on your handgun.
- Secure the mount using the provided mounting hardware. Ensure all screws are tightened properly but do not overtighten.

4. Mounting the Vortex Razor Red Dot:

- Follow the manufacturer's instructions for attaching the Vortex Razor Red Dot to the EGW mount.
- Ensure that the red dot sight is securely fastened and aligned properly for optimal use.

5. Final Checks:

- After installation, doublecheck that the mount and red dot sight are secure.

- Store the handgun in a safe location when not in use.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the mount or any components become damaged beyond repair, dispose of them in a safe manner to prevent potential hazards.
