

# SAVAGE B17, B22, B22LR PICATINNY SCOPE MOUNT - EGW

## SAVAGE B17, B22, B22 LR 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. Their one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using their of our machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). They recommend: 0 MOA - if shooting 0-150 yards 20 MOA - if shooting 150-300 yards When zeroing your rifle with a 20 MOA mount, they recommend zeroing at 200 yards. The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

### Attributes

- Name: [EGW SAVAGE B17, B22, B22 LR 1-PIECE PICATINNY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000614
- Mfr. No.: 41990
- Colour: Black
- Elevation: 0 MOA
- Material: Aluminum
- Model: B22,B17
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Savage Arms
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 229mm
- UPC: 841370114627

# Safety Instruction Guide for SAVAGE B17, B22, B22LR Picatinny Scope Mount

## Introduction

Thank you for choosing the SAVAGE B17, B22, B22LR Picatinny Scope Mount. This guide provides essential safety instructions and information to ensure the proper and safe use of your scope mount. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always check for any visible damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Use the recommended torque of 20 inch lbs when securing the mount.
  - Apply a drop of blue Loctite to screws to ensure stability (Loctite is sold separately).
- **Shooting Safety:**
  - Ensure proper eye and ear protection while shooting.
  - Always verify the zeroing of your rifle before engaging in shooting activities.
- **Maintenance Safety:**
  - Regularly inspect the scope mount for wear and tear.
  - Clean the mount with a soft cloth; avoid harsh chemicals that may damage the anodized finish.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all tools required for installation, including a torque wrench and a drop of blue Loctite.
- Ensure the workspace is clean and free from distractions.

### 2. Measuring Hole Spacing:

- Measure the hole spacing in your receiver to confirm it matches the published dimensions.

### 3. Mounting the Scope:

- Align the Picatinny scope mount with the predrilled holes in your receiver.
- Secure the mount using the provided screws and ensure they are tightened to 20 inch lbs of torque.
- Apply a drop of blue Loctite to each screw for added security.

### 4. Zeroing Your Rifle:

- When using a 20 MOA mount, it is recommended to zero your rifle at 200 yards.
- Adjust your scope as necessary to achieve the desired accuracy.

### 5. Final Checks:

- After installation, doublecheck that all screws are securely fastened.
- Verify that the mount does not obstruct the use of factory iron sights.

## **Disposal Instructions**

- When disposing of the product, follow local regulations for electronic waste and metal recycling.
- Do not dispose of in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided in the product packaging. Ensure you have the product model and details ready for efficient assistance.

Thank you for following these safety instructions. Enjoy using your SAVAGE B17, B22, B22LR Picatinny Scope Mount responsibly and safely.
