

# MINI MAUSER ZASTAVA M85 PICATINNY SCOPE MOUNT - EGW ZASTAVA MINI MAUSER M85 1-PIECE PICATINNY BASE 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately).

## Attributes

- Name: [EGW ZASTAVA MINI MAUSER M85 1-PIECE PICATINNY BASE 20 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000644
- Mfr. No.: 47042
- Colour: Black
- Elevation: 20 MOA
- Material: Aluminum
- Model: Mini M85,799
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Zastava,Remington
- Delivery weight: 0.057kg
- Shipping height: 19mm
- Shipping width: 89mm
- Shipping length: 229mm
- UPC: 841370113668

# Safety Instruction Guide for MINI MAUSER ZASTAVA M85 PICATINNY SCOPE MOUNT

## Introduction

Thank you for choosing the MINI MAUSER ZASTAVA M85 PICATINNY SCOPE MOUNT. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety instructions are followed during installation and use.
- Always check the product for any signs of damage before use.
- Store the product in a dry environment to prevent corrosion and damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the scope mount is compatible with your firearm model.
- Use only the recommended torque settings during installation to avoid damage.
- Always use blue Loctite as specified to secure screws and prevent loosening.
- Do not exceed the recommended torque of 20 inch lbs to avoid stripping screws.
- Avoid using the scope mount in extreme weather conditions that may affect performance.
- Regularly inspect the mount for any signs of wear or damage and replace if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: torque wrench, blue Loctite, and appropriate screwdrivers.
- Ensure your firearm is unloaded and in a safe condition before starting installation.

### 2. Measuring Hole Spacing:

- Measure the hole spacing in your receiver to confirm it matches the specifications provided by EGW.

### 3. Installing the Scope Mount:

- Align the scope mount over the receiver holes.
- Insert the screws into the holes and handtighten them to ensure proper alignment.
- Apply a small drop of blue Loctite to each screw.
- Using a torque wrench, tighten the screws to the recommended torque of 20 inch lbs. Do not overtighten.

### 4. Final Checks:

- Ensure that the mount is securely attached and does not obstruct the use of factory iron sights.
- Check that the Picatinny cross slots are clear for mounting scope rings and accessories.

### 5. Usage:

- When mounting scopes or accessories, ensure they are securely fastened to the Picatinny rail.
- Regularly check the tightness of all mounted accessories.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components where available.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided by the manufacturer or your local distributor.

By following these safety instructions, you can ensure safe and effective use of the MINI MAUSER ZASTAVA M85 PICATINNY SCOPE MOUNT. Thank you for your attention to safety.
