

# 1911 OVERSIZED FIRING PIN STOP - EGW O/S FIRING PIN STOP S80 38/9/40 BLUE

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pin Stops](#)

## Helps Ensure Reliable 1911 Auto Ejection

Machined steel firing pin stop is wider and thicker than standard, so you can gunsmith it for a tight fit that helps keep the extractor face square to the case rim for improved extraction and feeding. Bottom edge is left square, ready for final fitting to help slow slide opening and increase dwell-time with major power factor ammunition. Heat-treated to Rc 48, with radiused corners that resist cracking, for a long service life. Available in carbon steel with a tough black oxide finish and stainless steel. Series 70 is sized specifically to give a no-gap fit on .45 ACP Colt Series 70 pistols and clones. Series 80 fits 9mm/.38 Super/.40 S&W/.45 ACP Colt Series 80 pistols and clones.

## Attributes

- Name: [EGW O/S FIRING PIN STOP S80 38/9/40 BLUE](#)

# Safety Instruction Guide for the 1911 Oversized Firing Pin Stop

## Introduction

Thank you for choosing the 1911 Oversized Firing Pin Stop by EGW. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain the product properly.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the firing pin stop.
- Keep the firing pin stop out of reach of children and unauthorized users.
- Regularly inspect the firing pin stop for wear and damage.
- Follow all local laws and regulations regarding firearm modifications and safety.
- Always wear appropriate safety gear when handling firearms, including eye protection.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your firearm before using the firing pin stop.
- Only use the firing pin stop with compatible models:
  - Series 70: .45 ACP Colt Series 70 pistols and clones.
  - Series 80: 9mm/.38 Super/.40 S&W/.45 ACP Colt Series 80 pistols and clones.
- Be cautious during the gunsmith fitting process to avoid damaging the product or the firearm.
- Do not modify the firing pin stop beyond the recommended fitting procedures.
- Avoid using the firearm with damaged or improperly fitted parts.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary tools for installation, including a fitting tool and measuring device.

### 2. Installation:

- Carefully remove the existing firing pin stop from your firearm.
- Compare the dimensions of the new firing pin stop with the specifications of your firearm to ensure a proper fit:
  - Width: .48" (12mm)
  - Height: .65" (16.6mm)
  - Thickness: .133" (3.3mm)
- Begin fitting the new firing pin stop by carefully machining it to achieve a tight fit.
- Ensure the bottom edge remains square for proper function.

### 3. Final Fitting:

- After initial fitting, install the firing pin stop into the firearm.
- Test the fit by checking the extractor face alignment with the case rim.
- Make any necessary adjustments to achieve optimal performance.

### 4. PostInstallation:

- Once fitted, conduct a function test of the firearm to ensure proper operation.
- Monitor the firing pin stop for any signs of wear or damage during regular use.

## **Disposal Instructions**

- Dispose of the firing pin stop in accordance with local regulations for metal waste.
- Do not dispose of the firing pin stop in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the 1911 Oversized Firing Pin Stop, please reach out to your local dealer or manufacturer. Ensure that you have the product details and any relevant information ready for assistance.

Please remember that safety is paramount when handling firearms and related components. Always adhere to the guidelines provided in this safety instruction guide to ensure a safe and enjoyable experience with your product.
