

1911 EXTENDED EJECTOR - EGW 9MM/.38S EXTENDED EJECTOR

[Handgun Parts](#) > [Action Parts](#) > [Ejector Parts](#) > [Ejectors](#)

Oversized At Both Ends For Precise Fitting

Hardened, competition-grade ejector is left long at both ends so you can fit for different calibers and slide contours. Additional metal at the rear can be ground off flush with the slide after barrel fitting so there's no unsightly gap between the ejector and the slide. Extra long ejector post can be shaped to achieve the precise ejection angle required.

Attributes

Safety Instruction Guide for 1911 Extended Ejector EGW 9MM/.38S

Introduction

Thank you for choosing the 1911 Extended Ejector EGW 9MM/.38S. This product is designed for use in 1911style firearms, providing enhanced performance through its competitiongrade construction. Please read this safety instruction guide carefully to ensure proper use and maintenance of the ejector while adhering to the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always ensure that the ejector is used safely in compliance with all applicable laws and regulations.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for individuals under the age of 18. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to your local EU consumer protection authority.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to malfunction of the firearm.
 - Use of the ejector with incompatible calibers may result in dangerous situations.
 - Always inspect the ejector for damage before use.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before installation or maintenance.
 - Avoid modifying the ejector beyond its intended design.
 - Do not use damaged or worn components in conjunction with the ejector.
- **AudienceSpecific Warnings:**
 - This product is intended for experienced users only. Novice users should seek guidance from a qualified gunsmith.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is completely unloaded and pointed in a safe direction.
 2. Remove the existing ejector from the slide according to the manufacturer's instructions.
 3. Fit the 1911 Extended Ejector EGW into the ejector slot, ensuring it is seated correctly.
 4. If necessary, grind the rear of the ejector flush with the slide after barrel fitting to eliminate gaps.
 5. Shape the extralong ejector post to achieve the desired ejection angle.
 6. Secure the ejector in place according to the firearm's specifications.
- **Usage:**

- Conduct a function check of the firearm after installation to ensure proper operation.
- Regularly inspect the ejector for signs of wear or damage during routine maintenance.
- Only use ammunition that is compatible with the 1911 Extended Ejector EGW.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal components.
- Do not dispose of the ejector in regular household waste.
- Take the ejector to a designated recycling facility or hazardous waste collection site if necessary.

Contact Information for Further Support

For additional support or inquiries regarding the 1911 Extended Ejector EGW 9MM/.38S, please refer to your local EU consumer protection authority or the retailer from whom you purchased the product.

By following these safety instructions, you will help ensure a safe and effective experience with your new ejector. Thank you for your attention to these important safety guidelines.
