

1911 EXTENDED EJECTOR - EGW .45 ACP EXTENDED EJECTOR

[Handgun Parts](#) > [Action Parts](#) > [Ejector Parts](#) > [Ejectors](#)

Oversized At Both Ends For Precise Fitting

Hardened, competition-grade ejector is left long at both ends so you can fit for different calibers and slide contours. Additional metal at the rear can be ground off flush with the slide after barrel fitting so there's no unsightly gap between the ejector and the slide. Extra long ejector post can be shaped to achieve the precise ejection angle required.

Attributes

- Name: [EGW .45 ACP EXTENDED EJECTOR](#)
- Manufacturer: [EGW](#)

Safety Instruction Guide for 1911 Extended Ejector EGW .45 ACP

Introduction

Thank you for choosing the 1911 Extended Ejector EGW .45 ACP. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and related components with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the ejector for wear or damage before use.
- Do not modify the ejector beyond the recommended adjustments.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the ejector may lead to malfunctions, which can cause injury or property damage.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before installation or adjustment.
 - Follow all manufacturer instructions for fitting and adjustments.
 - Do not attempt to use the ejector with incompatible calibers or frames.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to own and operate firearms. Ensure compliance with local laws regarding age and firearm ownership.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools including a fitting jig, files, and safety equipment.
- Ensure the workspace is clean and free of distractions.

2. Installation:

- Unload the firearm completely and remove the slide.
- Fit the ejector into the designated slot on the frame.
- Use a fitting jig to align the ejector properly.
- If necessary, grind off the additional metal at the rear of the ejector until it is flush with the slide.
- Ensure that the extra long ejector post is shaped to achieve the desired ejection angle.

3. Testing:

- After installation, reassemble the firearm and conduct a function test.
- Ensure that the ejector operates smoothly and that there are no obstructions.

4. Usage:

- Use the firearm in accordance with all safety protocols and manufacturer instructions.

- Monitor the ejector's performance during use and check for any signs of wear.

Disposal Instructions

- Dispose of any unused or damaged ejectors in accordance with local regulations.
- Do not throw away the ejector in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support related to the 1911 Extended Ejector EGW .45 ACP, please reach out to the designated contact point provided by the manufacturer or refer to the product documentation for further assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your 1911 Extended Ejector EGW .45 ACP. Thank you for prioritizing safety and compliance.
