

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 224 VALKYRIE FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 224 VALKYRIE FULL LENGTH DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)

# Safety Instruction Guide for Forster Full Length Sizing and Bench Rest Seater Die Sets

## Introduction

Thank you for choosing the Forster Full Length Sizing and Bench Rest Seater Die Sets. These highquality reloading dies are designed to enhance your reloading experience while ensuring safety. This guide provides essential safety instructions to help you use the product effectively and responsibly.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the die sets.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Keep the die sets and all reloading components out of reach of children and unauthorized users.
- Store the die sets in a dry, cool place to prevent rust and damage.
- Regularly inspect the die sets for wear and defects before each use.
- Report any accidents or unsafe conditions to the relevant authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper handling of reloading dies can lead to personal injury or damage to the equipment.
- Ensure that all components are compatible with the die sets to avoid malfunctions.

- **Avoiding Hazards:**

- Do not exceed the recommended load specifications provided by the manufacturer.
- Ensure that the die sets are securely attached to the reloading press before use.
- Never attempt to modify or alter the die sets in any way.

- **Age Restrictions:**

- These die sets are intended for use by adults only. Individuals under the age of 18 should not handle or operate the equipment without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the die sets and inspect for any damage.
- Read the accompanying instructions for specific installation requirements.
- Securely attach the sizing die and seater die to your reloading press according to the manufacturer's guidelines.

### 2. Usage:

- Ensure that your reloading workspace is clean and organized.
- Follow the recommended procedures for resizing cases and seating bullets as indicated in the user manual.
- Use the EZ case neck expander system carefully to avoid damaging the cases.
- Monitor the condition of the die sets during use and discontinue use if any issues are observed.

## **Disposal Instructions**

- Dispose of any damaged or wornout die sets according to local regulations.
- Do not dispose of reloading components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any inquiries or concerns about the Forster Full Length Sizing and Bench Rest Seater Die Sets, please refer to the contact information provided in the product packaging or on the manufacturer's website.

Thank you for prioritizing safety while using your Forster products. Happy reloading!
