

# PRIMER CATCHER CAP AND CUP FOR CO-AX PRESS - FORSTER PRODUCTS, INC. PRIMER CATCHER CUP FOR CO-AX PRESS

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

When resizing and depriming cases, it's important to have a place for spent primers to go, and the Forster Primer Catcher Cap and Cup is purpose-built for use on your go-to co-axial press. These catchers are essential to have on-hand when working with your press, either as a handy spare or to replace a worn, well-used primer catching tray on your reloading press.

# Safety Instruction Guide for Forster Primer Catcher Cap and Cup for CoAx Press

## Introduction

Thank you for choosing the Forster Primer Catcher Cap and Cup for your CoAx Press. This product is designed to safely collect spent primers during the resizing and depriming process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the Primer Catcher Cap and Cup as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the Primer Catcher Cap and Cup regularly for any signs of wear or damage. Do not use if damaged.
- Avoid using the product in wet or damp conditions to prevent slipping or electrical hazards.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Primer Catcher Cap is securely attached to the CoAx Press before use.
- Do not attempt to modify or alter the Primer Catcher Cap and Cup in any way.
- Use appropriate eye protection when working with reloading equipment to prevent injury from flying debris.
- Keep hands and other body parts clear of moving parts during operation to avoid injury.
- Store the Primer Catcher Cap and Cup in a dry, cool place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your CoAx Press is turned off and unplugged before installation.
- Align the Primer Catcher Cap with the designated area on the CoAx Press.
- Press the Primer Catcher Cap firmly into place until it clicks securely.
- Attach the Primer Catcher Cup to the bottom of the Primer Catcher Cap, ensuring it is securely in position.

### 2. Usage:

- Begin the reloading process as per your standard operating procedures.
- As spent primers are ejected, they will be collected in the Primer Catcher Cup.
- Regularly check the cup to ensure it is not overflowing. If it is full, carefully remove it and dispose of the spent primers according to local regulations.
- After completing your reloading session, remove the Primer Catcher Cap and Cup for cleaning and storage.

## Disposal Instructions

- Dispose of spent primers in accordance with local waste disposal regulations.
- The Primer Catcher Cap and Cup should be recycled or disposed of as per local guidelines for plastic products.
- Do not dispose of the product in household waste if it is damaged; contact local waste management for

proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the Forster Primer Catcher Cap and Cup, please refer to the product packaging for the appropriate contact information. Ensure you have the product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy your reloading experience with the Forster Primer Catcher Cap and Cup.
