QUIET MUZZLE BRAKE 30 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the QUIET MUZZLE BRAKE 30 CALIBER by GENTRY CUSTOM. This product is designed to enhance your shooting experience by reducing recoil and muzzle rise while directing muzzle blast away from the shooter. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the QUIET MUZZLE BRAKE is installed correctly and securely before use.
- Always wear appropriate eye and ear protection while shooting.
- Never point the firearm at anything you do not intend to shoot.
- Keep the muzzle brake and firearm pointed in a safe direction at all times.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store the muzzle brake and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and muzzle brakes.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Muzzle blast can be loud and may cause hearing damage if proper protection is not used.
- Improper installation can lead to malfunction or injury.
- Ensure that the muzzle brake is compatible with your firearm's specifications.

- **Instructions to Avoid Hazards:**

- Always use the correct thread size (1/228) for your firearm.
- Doublecheck the installation of the muzzle brake before shooting.
- Do not modify or alter the muzzle brake in any way.
- Avoid using the muzzle brake with ammunition that exceeds the specified caliber (30 Caliber / .308).

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a qualified adult.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threaded area of the barrel to remove any debris or obstructions.
- Align the muzzle brake with the threads on the barrel, ensuring that it is the correct size (1/228).
- Gently screw the muzzle brake onto the barrel by hand until it is snug.
- Use a wrench to tighten the muzzle brake securely, but do not overtighten as this may damage the threads.

2. Usage:

- Always perform a safety check on your firearm before shooting.
- When ready to shoot, ensure that all safety measures are in place, including eye and ear protection.
- Fire the firearm as you normally would, noting the reduced recoil and muzzle rise provided by the muzzle brake.
- After shooting, inspect the muzzle brake for any signs of damage or loosening.

Disposal Instructions

- Dispose of the QUIET MUZZLE BRAKE according to local regulations regarding metal products.
- If the muzzle brake is damaged or no longer usable, do not attempt to repair it. Dispose of it in a responsible manner.
- Recycle the product if possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the QUIET MUZZLE BRAKE 30 CALIBER, please refer to the relevant contact information provided at the point of purchase or on the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience responsibly!
