MAUSER 98 Three Position Safety Bolt Shroud

Safety Instructions

Introduction

Thank you for choosing the MAUSER 98 Three Position Safety Bolt Shroud by GENTRY CUSTOM. This product upgrades the Mauser action to a full, threeposition safety, enhancing your firearm's functionality and safety. It is crucial to follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Always handle firearms with care and respect, following all standard gun safety practices.
- Store the product and any related tools out of reach of children and unauthorized users.
- Familiarize yourself with the specific safety features of the MAUSER 98 before use.
- Regularly check for any wear or damage to the safety mechanism to ensure it functions correctly.

Specific Safety Precautions for Use

- Only use the MAUSER 98 Three Position Safety Bolt Shroud with the M98 model.
- Do not attempt to modify the safety shroud or lever, as this may compromise safety.
- Always ensure that the safety is in the "fire" position only when you are ready to shoot.
- Keep your fingers off the trigger until you are ready to fire.
- If the firearm malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe area.
2. **Remove the Old Shroud:** Carefully remove the existing bolt shroud from the firearm according to the manufacturer's instructions.
3. **Install the New Shroud:**
 - Align the MAUSER 98 Three Position Safety Bolt Shroud with the bolt assembly.
 - Securely attach the shroud and lever, ensuring all parts are properly fitted.
4. **Test the Mechanism:** Before using the firearm, check the safety positions (bolt locked, bolt open, and fire) to ensure they engage correctly.
5. **Consult a Gunsmith:** If you are unsure about the installation process, seek professional assistance from a qualified gunsmith.

Usage

- Familiarize yourself with the three positions of the safety:
 - **Bolt Locked:** The bolt cannot be operated, providing a secure state.
 - **Bolt Open:** The bolt can be opened for loading or unloading.
 - **Fire:** The firearm is ready to be fired.
- Always check the safety position before handling the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and firearm components.
- Do not dispose of the product in regular household waste.
- If you are unsure how to dispose of the product, contact your local waste management authority for

guidance.
