

# FACTORY LOGO RECOIL PADS - UNIVERSAL RECOIL PAD, 1/2" RED

[Home](#)

## The Final Detail For An Accurate Restoration

Makes your restorations as accurate and valuable as possible. These red-brown rubber pads are exact reproductions of those used in the early 1900's. The Hawkins was a commonly-used, turn of the century, aftermarket pad. This faithful re-creation has the original Hawkins logo in the center and is available with the original, diamond heart pattern vents or horizontal square vents. The Winchester Vented is a copy of the original pad on early 1920's Winchesters the includes the Winchester logo and the legend "MADE IN U.S.A." above the logo and "TRADE MARK PAT. JUNE 6, 1922" correctly placed below it. Winchester Solid is a solid red pad modeled after that of many original pre-'64 Winchesters including the Model 70, Model 12, Model 21, plus all lever action and pump models. Raised lettering Winchester logo. Early Noshoc pad provides an opportunity to put the correct era pad on many high-grade American guns. Used by Parker, Fox, L.C. Smith, Remington, Winchester, and Lefever. Raised lettering reads "NOSHOC" with the legend "PATENTED JUNE 6, 1922" above the logo and "MADE IN U.S.A" below it. The Universal pad is available in red and works well on a variety of custom stocks. Screw holes are 3¼" apart; midway between these holes is an internal cavity ¾" wide and 21/8" long.

## Attributes

# Safety Instruction Guide for FACTORY LOGO RECOIL PADS UNIVERSAL RECOIL PAD, 1/2" RED

## Introduction

Thank you for choosing the FACTORY LOGO RECOIL PADS UNIVERSAL RECOIL PAD. This product is designed to enhance the performance and usability of your firearms while ensuring safety during use. It is important to follow the safety guidelines outlined in this document to ensure a safe and effective experience.

## General Safety Guidelines

- Ensure that the recoil pad is compatible with your firearm model before installation.
- Always handle firearms with care and ensure they are unloaded when installing or adjusting the recoil pad.
- Keep the recoil pad out of reach of children and vulnerable individuals to prevent accidental use.
- Regularly inspect the recoil pad for wear and tear. Replace if damaged.
- If you notice any unusual behavior or damage to the recoil pad, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Avoid using the recoil pad in extreme weather conditions (e.g., excessive heat or cold) as this may affect its performance.
- Do not modify the recoil pad in any way, as alterations may compromise safety and effectiveness.
- Always wear appropriate safety gear, including eye protection, when using firearms equipped with recoil pads.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm usage and accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver).

### 2. Installation:

- Align the recoil pad with the stock of the firearm.
- Confirm that the screw holes on the recoil pad match the holes on the firearm stock.
- Secure the recoil pad using the screws provided, ensuring it is tightly fastened but not overtightened to avoid damage.

### 3. Usage:

- When using the firearm, ensure that the recoil pad is properly seated against your shoulder for maximum comfort and effectiveness.
- Maintain a firm grip on the firearm while shooting to control recoil effectively.

### 4. PostUse:

- After use, clean the recoil pad with a damp cloth to remove any dirt or debris.
- Store the firearm and recoil pad in a secure location, away from unauthorized users.

## **Disposal Instructions**

- Dispose of the recoil pad in accordance with local regulations regarding rubber products.
- Do not burn the recoil pad, as it may release harmful substances.
- If the recoil pad is damaged beyond repair, consider recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the recoil pad, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to support for any safety inquiries or product issues.

By following these guidelines, you can ensure a safe and enjoyable experience with your FACTORY LOGO RECOIL PADS UNIVERSAL RECOIL PAD. Always prioritize safety and responsible usage when handling firearms and their accessories.
