Introduction

Thank you for choosing the Adjustable File/Tool Handle by Brownells. This guide provides important safety information to ensure the safe use of the product. Please read and understand these instructions before using the handle.

General Safety Guidelines

- Always use the handle according to the manufacturer's instructions.
- Keep the handle out of reach of children and vulnerable individuals.
- Inspect the handle for any damage or wear before each use.
- Do not use the handle for purposes other than those intended.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the handle is securely attached to the tool before use.
- Avoid using excessive force when gripping the handle.
- Do not use the handle if it shows signs of damage, such as cracks or breaks.
- Use the handle in a welllit area to avoid accidents.
- Do not leave the handle in wet or damp conditions to prevent rusting of steel parts.

Instructions for Installation and Usage

1. Installation:

- Align the tang of the file or tool with the opening of the Adjustable File/Tool Handle.
- Gently slide the tang into the handle until it is fully inserted.
- Ensure that the handle grips the entire length of the file or tool securely.

2. Usage:

- Hold the handle firmly with one hand while using the tool.
- Use the tool in a controlled manner to avoid slips and accidents.
- After use, clean the handle and tool to maintain their condition.

Disposal Instructions

- Dispose of the Adjustable File/Tool Handle in accordance with local waste disposal regulations.
- If the handle is damaged beyond repair, consider recycling the materials if possible.
