GRACE USA 5-PIECE PHILLIPS SCREWDRIVER SET The Grace USA 5-Piece Phillips Screwdriver Set is meticulously crafted for gunsmiths and firearm enthusiasts who require precision and durability in their tools. Each screwdriver features a chromium-vanadium 8650 alloy steel tip with a black oxide finish, ensuring a precise fit and resistance to wear. The square hardwood handles are ergonomically designed for a comfortable grip and are stamped with the size for quick identification. Nickel-plated steel ferrules add an extra layer of durability, enhancing the tool's longevity. Key Features: Chromium-Vanadium Alloy Steel Tips: Provides exceptional strength and durability, ensuring a precise fit in screw slots and reducing the risk of cam-out. Black Oxide Finish: Enhances corrosion resistance and reduces glare, maintaining the tool's integrity over time. Square Hardwood Handles: Ergonomically designed for a comfortable and secure grip, with size markings for easy identification. Nickel-Plated Steel Ferrules: Adds durability and a polished finish, reinforcing the tool's structure. Specifications: Set Includes: Five screwdrivers with Phillips tips sizes #0, #1, #2, #3, and #4. Overall Length: Ranges from 5½" (13.97 cm) to 13¾" (34.9 cm), accommodating various applications. Materials: Chromium-vanadium 8650 alloy steel tips, hardwood handles, and nickel-plated steel ferrules. Customer Insights: Our customers highly value the Grace USA 5-Piece Phillips Screwdriver Set for its exceptional build quality and precision. The alloy steel tips provide confidence when working on delicate firearm components, ensuring screws are handled with care and accuracy. The comfortable hardwood handles are praised for reducing hand fatigue, making extended maintenance sessions more manageable. Overall, this set is considered an indispensable addition to any gunsmith's toolkit. Incorporating the Grace USA 5-Piece Phillips Screwdriver Set into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

Safety Instruction Guide for 5 Piece Phillips Screwdriver Set

Introduction

Thank you for choosing the 5 Piece Phillips Screwdriver Set by Grace USA. This guide provides essential safety instructions and proper usage information to ensure a safe and effective experience with your screwdriver set. Please read and follow these guidelines carefully.

General Safety Guidelines

- Always inspect the screwdriver set before use for any signs of damage or wear.
- Use the correct size screwdriver for the corresponding screw to avoid slipping or damaging the screw head.
- Keep the screwdriver set out of reach of children and pets to prevent accidental injury.
- Do not use the screwdriver set for purposes other than intended, such as prying or levering.
- Store the screwdriver set in a dry place to prevent rust and prolong its lifespan.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from debris when using the screwdriver.
- Ensure that your hands are dry and free from oil or grease to maintain a secure grip on the handle.
- Avoid using excessive force when turning screws to prevent damaging the screw or the material.
- Do not use the screwdriver if the handle is cracked or broken, as this may lead to injury.
- Be cautious when working with electrical components; ensure the power is off before use.

Instructions for Installation and Usage

1. Selecting the Right Screwdriver:

- Identify the size of the screw you are working with (0, 1, 2, 3, or 4).
- Choose the corresponding Phillips screwdriver from the set.

2. Using the Screwdriver:

- Hold the screwdriver by the handle with a firm grip.
- Align the tip of the screwdriver with the screw head.
- Turn the screwdriver clockwise to tighten the screw and counterclockwise to loosen it.
- Apply even pressure and avoid excessive force.

3. PostUse Care:

- Clean the screwdriver tips after use to remove any debris or residue.
- Store the screwdriver set in its designated place to prevent loss and damage.

Disposal Instructions

- Dispose of the screwdriver set responsibly. If the product is damaged beyond use, consider recycling the metal components where facilities are available.
- Follow local regulations for disposal of tools and metal items.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. By following these guidelines, you can ensure a safe and effective experience with your 5 Piece Phillips Screwdriver Set.
