

# PIN PUNCH SET - GRACE USA STEEL PUNCH KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

## 7 Handy Punches

GRACE USA 7 Pc Steel Punch Set is made with utmost precision. Designed for meticulous work on detailed projects. These punches are Made in the USA from High Carbon Molybdenum Tool Steel and properly heat treated and hardened the entire length with tempered striking end. They are also centerless ground for complete accuracy and we have incorporated a reverse taper from tip of punch to help prevent punch from sticking in the work piece. The punches are manufactured from hex stock steel vs. round which helps stabilize punch from rolling away from user. Packed in a vinyl pouch for safe storage. 100% Made in the USA.

## Attributes

# Safety Instruction Guide for the Grace USA Steel Punch Set

## Introduction

Thank you for choosing the Grace USA Steel Punch Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use to minimize the risk of accidents and injuries.

## General Safety Guidelines

- Always inspect the punch set before use for any signs of damage or wear.
- Store the punch set in a safe, dry place, and keep it out of reach of children.
- Use the punches only for their intended purpose as described in this guide.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the punches.
- Ensure that your work area is clean and welllit to prevent accidents.
- Do not use the punches if you are tired or under the influence of substances that may impair your judgment.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Sharp edges: The punches have sharp tips that can cause cuts.
- Pinching: Be cautious of hand placement to avoid pinching during use.
- Flying debris: Use of punches may produce metal shavings or debris.

### • Avoiding Hazards:

- Always hold the punch firmly and ensure your hands are clear of the striking area.
- Use a proper striking tool, such as a hammer, to strike the punch.
- Do not strike the punch with excessive force, as this may cause it to break or cause injury.
- Avoid using the punches on hard surfaces that may damage the tool or cause it to shatter.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting your project.
- Ensure that the workpiece is secured in place to prevent movement during punching.

### 2. Using the Punches:

- Select the appropriate punch size based on your project needs.
- Position the punch tip on the desired location on the workpiece.
- Hold the punch firmly and strike the end with a hammer or mallet.
- Repeat the process as necessary, ensuring to maintain control of the punch at all times.

### 3. PostUse Care:

- Clean the punches after use to remove any debris or residue.
- Inspect for any damage and replace any worn or damaged punches.

- Store the punch set in the vinyl pouch provided for safe storage.

## **Disposal Instructions**

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not throw away the punches in regular household waste; check for metal recycling options in your area.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Thank you for your attention to these safety guidelines. Enjoy using your Grace USA Steel Punch Set responsibly!
