

# NO. 131 CHECKERING RIFFLER - GROBET FILE CO. OF AMERICA INC

## CHECKERING RIFFLER

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Hand Checkering Tools](#) > [Checkering Riffles](#)

### Shapes The Diamonds Smoothly, Professionally

Checkering Riffles are used by many professional checkerers and stockmakers instead of bent needle files for pointing-up checkering, cleaning up damaged or old checkering, and border work. The No. 131 we recommend and carry has a full 3-square shape, cutting a perfect 60° angle. File teeth meet exactly square on corners, will cut finest hairline cut at bottom of diamond grooves. Has approximately 35° up-bend at tip. Exceedingly nice to work with.

# NO. 131 CHECKERING RIFFLER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the NO. 131 Checkering Riffler by Grobet File Co. of America Inc. This guide provides important safety instructions and usage information to ensure your safety and the effective use of this tool. Please read and follow all instructions carefully.

## General Safety Guidelines

- Always use the checkering riffler in a welllit and clean workspace.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Do not use the tool for any purpose other than its intended use.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Ensure that your workpiece is securely clamped or held to prevent movement while using the riffler.
- Be aware of your surroundings and ensure that no one is in close proximity while you are using the tool.

## Specific Safety Precautions for Use

- Use the checkering riffler only on materials it is designed for, such as wood or plastic.
- Avoid applying excessive force; let the tool do the work.
- Do not use the tool if you are tired or under the influence of substances that may impair your judgment.
- Store the riffler in a safe place when not in use to prevent accidental injury.
- If the tool becomes dull or damaged, discontinue use and replace it.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your work area is clean and organized.
- Gather all necessary materials and tools.

### 2. Using the Checkering Riffler:

- Hold the riffler firmly by the handle.
- Position the riffler at the desired angle on the workpiece.
- Apply gentle pressure and move the tool in a controlled manner to achieve the desired cut.
- For cleaning up damaged or old checkering, use light strokes to avoid overcutting.

### 3. PostUsage Care:

- Wipe the tool clean after each use to remove debris and moisture.
- Store the riffler in a protective case or sheath to prevent damage.

## Disposal Instructions

- Dispose of the checkering riffler in accordance with local regulations.
- If the tool is damaged beyond repair, consider recycling any metal parts where possible.
- Do not dispose of the tool in general waste if it poses a risk of injury.
