[Home](#)

## Durable Stock With Outstanding Grip Characteristics; Rubber-Coated Finish Grips Great, With Or Without Gloves

Fiberglass-reinforced, polymer, shotgun stock provides synthetic-stock durability and is overmolded with rubber for a sure grip every time you grab your gun. Rubber is pebble-textured in the gripping areas. Includes recoil-cushioning, butt pad and an integral, sling-swivel stud. Available in standard, factory length of pull or in ShortShot, 12" length of pull for use with body armor or for smaller shooters. Available in sets or individually. Sets and individual components fit 12 gauge only.

# OVERMOLDED SHOTGUN STOCK & FOREND SETS HOGUE REM. 870 SHORTSHOT STK/FOREND SET, 12GA Safety Instruction Guide

## Introduction

Thank you for choosing the OVERMOLDED SHOTGUN STOCK & FOREND SET by HOGUE. This product is designed to enhance your shooting experience while ensuring safety and durability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Always treat your shotgun as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your shotgun in a secure location, away from children and unauthorized users.
- Always wear appropriate eye and ear protection when using your shotgun.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Follow all local laws and regulations regarding firearm use and ownership.
- Regularly inspect your shotgun and accessories for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that the stock and forend set is properly installed before use.
- Do not modify the stock or forend set in any way that could compromise its integrity or safety.
- Avoid using the shotgun in wet or muddy conditions, as this can affect grip and handling.
- If you experience any malfunctions during use, cease operation immediately and inspect the firearm and accessories.
- Use only compatible ammunition (12 gauge) with the shotgun and accessories.
- Always ensure that the rubber overmolded areas are clean and free from debris to maintain grip.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Remove the Existing Stock and Forend:

- Ensure the shotgun is unloaded.
- Use the appropriate tools to remove the existing stock and forend from the shotgun.

#### 2. Install the New Stock:

- Align the new overmolded stock with the shotgun's receiver.
- Secure the stock in place using the original screws or hardware provided.

#### 3. Install the New Forend:

- Align the new forend with the shotgun's forend tube.
- Ensure it fits snugly and securely attach it according to the manufacturer's instructions.

#### 4. Check Installation:

- Once both the stock and forend are installed, check for any movement or looseness.
- Ensure that all components are securely fastened before use.

## **Usage Instructions**

- Grip the shotgun firmly by the rubber overmolded areas to ensure a secure hold.
- Adjust your stance and positioning to maintain balance and control while aiming and shooting.
- After use, clean the shotgun and inspect the stock and forend for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact your local waste management service for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the OVERMOLDED SHOTGUN STOCK & FOREND SET, please refer to the manufacturer's website or customer service resources.

## **Conclusion**

Safety is paramount when handling firearms and their accessories. By following these guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your OVERMOLDED SHOTGUN STOCK & FOREND SET. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety measures.
