

RUGER 10/22 RUBBER COVERED STOCK .920 BULL BARREL - HOGUE RUGER 10/22 RUBBER COVERED STOCK .920 BULL FIBERGLASS BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Cushioned Rubber Or Nylon Outer Skin Molded Over A Fiberglass Shell
Cushioned rubber outer skin provides non-slip shooting comfort; internal fiberglass body gives solid support, is lightweight and easy to carry. Fully-inletted for a drop-in fit; models available to fit nominal .920" diameter bull barrels (B/B). Straight comb; wide, varmint-style forend with finger grooves, cobblestone finish on grip and forend; dual palm swells and recurve pistol grip make this stock as comfortable to shoot as it is practical. Includes rubber recoil pad, and front and rear sling studs.

RUGER 10/22 Rubber Covered Stock Safety Instruction Guide

Introduction

Thank you for choosing the RUGER 10/22 Rubber Covered Stock. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read it carefully before using the stock.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and ammunition separately and securely.
- Ensure that you are familiar with the operation of your firearm before using it with the stock.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Be aware of your surroundings and ensure that you are in a safe environment when shooting.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the stock is compatible with your firearm model (RUGER 10/22).
- Inspect the stock for any defects or damage before installation.
- Avoid using the stock with firearms that exceed the specified weight limit.
- Do not modify the stock, as this may affect its safety and performance.
- Use the provided rubber recoil pad to minimize recoil impact.
- Ensure that sling studs are securely attached before use.
- Keep the stock clean and free from debris to maintain optimal performance.

Instructions for Installation and Usage

1. Installation

- Remove the existing stock from your RUGER 10/22 following the manufacturer's instructions.
- Align the RUGER 10/22 Rubber Covered Stock with the action of the firearm.
- Securely attach the stock to the firearm using the provided screws.
- Ensure that the stock is fully seated and does not move when properly installed.

2. Usage

- Before shooting, ensure that the stock is correctly installed and that the firearm is functioning properly.
- Hold the firearm with a firm grip, utilizing the dual palm swells and recurve pistol grip for comfort.
- Use the wide, varmintstyle forend with finger grooves for better control while aiming.
- Maintain a proper shooting stance for stability and accuracy.
- After use, clean the stock and firearm to prevent dirt and moisture buildup.

Disposal Instructions

- Dispose of the stock in accordance with local waste management regulations.
- If the stock is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the RUGER 10/22 Rubber Covered Stock, please refer to the manufacturer's website or contact your local distributor for support.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your RUGER 10/22 Rubber Covered Stock. Thank you for prioritizing safety!
