SLING SWIVEL M14/M1A BIPOD ADAPTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SLING SWIVEL M14/M1A Bipod Adapter from HARRIS. This product is designed to enhance your shooting experience by allowing you to attach a Harris Bipod to your M14 or M1A rifle. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the adapter is compatible with your specific M14 or M1A rifle model.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the adapter regularly for any signs of wear or damage before each use.
- Report any unsafe products or accidents related to this adapter to the appropriate authorities.
- Stay informed about any recalls or safety alerts by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to the bipod detaching during use, posing a risk of injury.
- Using the adapter with incompatible rifle models can result in malfunction or damage.

- **Avoiding Hazards:**

- Always follow the installation instructions provided in this guide.
- Ensure that the adapter is securely attached before using the bipod.
- Do not exceed the weight limit of the bipod when in use.
- Avoid using the bipod in extreme weather conditions that may affect its performance.

- **Warnings:**

- This product is not intended for children. Keep it out of their reach.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the adapter.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Necessary Tools:**

- You may need a screwdriver or wrench to assist with installation.

2. **Prepare the Rifle:**

- Ensure that your M14 or M1A rifle is unloaded and pointed in a safe direction.

3. **Locate the Installation Area:**

- Identify the appropriate location on your rifle stock for the Sling Swivel Stud. This is typically near

the front of the stock.

4. Install the Sling Swivel Stud:

- Align the adapter with the predrilled hole (if available) or mark the location for drilling.
- If drilling is required, ensure that you use the correct drill bit size and take care to avoid damaging the stock.
- Secure the Sling Swivel Stud into place according to the manufacturer's specifications.

5. Attach the Harris Bipod:

- Once the Sling Swivel Stud is installed, follow the bipod manufacturer's instructions to attach it securely.

Usage Instructions

- Always check that the bipod is firmly attached to the Sling Swivel Stud before using your rifle.
- Use the bipod on stable surfaces to ensure maximum stability and safety.
- Regularly inspect both the adapter and bipod for signs of wear and tear during use.

Disposal Instructions

- Dispose of the SLING SWIVEL M14/M1A Bipod Adapter responsibly.
- Follow local regulations for the disposal of plastic and metal components.
- If the product is damaged beyond use, ensure it is recycled or disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the SLING SWIVEL M14/M1A Bipod Adapter, please refer to the manufacturer's website or contact their customer support directly. Ensure you have the product details ready for a more efficient response.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the SLING SWIVEL M14/M1A Bipod Adapter!
