# FAST Aimpoint COMP M4 Mount Safety Instruction Guide

## Introduction

Thank you for choosing the FAST Aimpoint COMP Series Mount by Unity Tactical. This guide provides essential safety instructions to ensure the safe and effective use of your mount. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the mount is compatible with your Aimpoint COMP M4 before use.
- Inspect the mount for any damage or defects prior to installation.
- Always use the mount as intended and follow the manufacturer's instructions.
- Keep the mount out of reach of children and vulnerable individuals.
- In case of any malfunction or unusual behavior, discontinue use and contact support.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of 0.2 lbs when using the mount.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Always ensure that the mount is securely attached to the Pic Rail before use.
- When wearing a protective mask, confirm that the mount height of 2.26 inches allows for proper visibility and functionality.
- Be cautious when handling the mount to prevent injury from sharp edges or components.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the Pic Rail is clean and free from debris.
- Align the FAST Aimpoint COMP Series Mount with the Pic Rail.
- Securely fasten the mount using the provided screws, ensuring it is tight but not overtorqued.
- Verify that the mount is stable and does not wobble.

### 2. Usage Guidelines:

- Once installed, check the alignment of your Aimpoint COMP M4.
- Adjust the optical center line as needed for your specific use case.
- Regularly check the mount for signs of wear or loosening during use.

## Disposal Instructions

- Dispose of the FAST Aimpoint COMP Series Mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste. Instead, check for designated recycling facilities or programs.
- Ensure that any electronic components are disposed of properly to avoid environmental harm.

## Contact Information for Further Support

For any safety inquiries or support regarding your FAST Aimpoint COMP Series Mount, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details ready for

assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your FAST Aimpoint COMP Series Mount. Always stay informed about safety updates and recalls through the EU's Safety Gate platform. Thank you for your attention to safety.
