UNITY TACTICAL FAST OMNI MAGNIFIER MOUNT WITH FLIP-TO-CENTER MACHANISM

FAST Magnifier Mounts feature the first ever Flip-To-Center (FTC) mechanism that provides stowage completely within the footprint of the weapon's receiver while not obstructing the host optic's sight picture. This provides the most optic capability with the lowest profile during all modes of operation. The revolutionary FTC function completely solves the problem posed by legacy flip-to-side magnifier mounts (when disengaged, the magnifier hangs off the side of the gun, creating a major snag hazard). FAST FTC Magnifier Mounts completely eliminate this danger and utilize a force-to-overcome mechanism for rapid transition. This FAST mount hangs the magnifier upside down so as to not impinge the adjustment knobs on the host weapon's receiver. The upside down position of the magnifier does not impact the function or performance of the unit. Compatible with: EOTech G23, G30, G33, G43, G45 Vortex VMX-03T, Micro3X, Micro6X Trijicon 3X MAG-C Sig Juliet3X, Juliet4X, Juliet Micro3X. For use with Unity Tactical FAST optic mounts that have 2.26" optical centerline height.

Attributes

- Name: [UNITY TACTICAL FAST FTC OMNI MAGNIFIER MOUNT BLACK](#)
- Manufacturer: [UNITY TACTICAL](#)
- Product no.: 430100007
- Mfr. No.: FST-OMB

FAST OMNI MAGNIFIER MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the FAST OMNI MAGNIFIER MOUNT from UNITY TACTICAL. This safety instruction guide is designed to provide you with important information regarding the safe use, installation, and disposal of the product. Please read this guide carefully before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the FAST OMNI MAGNIFIER MOUNT is used only for its intended purpose.
- Always inspect the mount for any damage before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the mount to avoid accidents or injuries.
- If you experience any difficulties or have questions about the product, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mount is securely attached to the host optic and weapon before use. A loose mount can lead to misalignment and potential injury.
- **Adjustment Knobs:** Be cautious when adjusting the magnifier. Ensure that your fingers are clear of the adjustment knobs to avoid pinching or injury.
- **Snag Hazard:** Be aware that improper handling or disengagement of the magnifier may create a snag hazard. Always ensure the magnifier is stowed properly when not in use.
- **Environmental Conditions:** Do not use the mount in extreme weather conditions that may affect your safety or the performance of the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the weapon is unloaded and pointed in a safe direction.
- Align the FAST OMNI MAGNIFIER MOUNT with the optical centerline height of 2.26 inches.
- Securely attach the mount to the host optic using the provided mounting hardware.
- Check that the mount is firmly in place and does not wobble.

2. Usage:

- To engage the magnifier, flip it to the center position using the FTC mechanism.
- Ensure that the magnifier is properly aligned with the host optic before use.
- When not in use, flip the magnifier back into the stowed position to avoid snag hazards.
- Regularly check the alignment and stability of the mount during use.

Disposal Instructions

- Dispose of the FAST OMNI MAGNIFIER MOUNT in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the FAST OMNI MAGNIFIER MOUNT, please contact the manufacturer or your retailer for assistance. Ensure you have the product model and purchase information ready for a more efficient response.

By following these safety instructions, you can help ensure a safe and effective experience with your FAST OMNI MAGNIFIER MOUNT. Thank you for your attention to safety.
