## UNITY TACTICAL FAST OMNI MAGNIFIER MOUNT WITH FLIP-TO-CENTER MACHANISM

FAST Magnifier Mounts feature the first ever Flip-To-Center (FTC) mechanism that provides stowage completely within the footprint of the weapon's receiver while not obstructing the host optic's sight picture. This provides the most optic capability with the lowest profile during all modes of operation. The revolutionary FTC function completely solves the problem posed by legacy flip-to-side magnifier mounts (when disengaged, the magnifier hangs off the side of the gun, creating a major snag hazard). FAST FTC Magnifier Mounts completely eliminate this danger and utilize a force-to-overcome mechanism for rapid transition. This FAST mount hangs the magnifier upside down so as to not impinge the adjustment knobs on the host weapon's receiver. The upside down position of the magnifier does not impact the function or performance of the unit. Compatible with: EOTech G23, G30, G33, G43, G45 Vortex VMX-03T, Micro3X, Micro6X Trijicon 3X MAG-C Sig Juliet3X, Juliet4X, Juliet Micro3X. For use with Unity Tactical FAST optic mounts that have 2.26" optical centerline height.

# FAST OMNI MAGNIFIER MOUNT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the FAST OMNI MAGNIFIER MOUNT by Unity Tactical. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your magnifier mount. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the FAST OMNI MAGNIFIER MOUNT is used only with compatible optics as specified in the product description.
- Always inspect the mount before use for any signs of damage or wear.
- Keep the mount out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as outlined in the instructions.
- Store the mount in a cool, dry place away from direct sunlight when not in use.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- The FAST OMNI MAGNIFIER MOUNT is designed to be used with specific optics. Ensure compatibility before installation.
- When transitioning the magnifier, do so carefully to avoid snagging or injury.
- Do not attempt to modify the mount or use it in a manner not specified in the instructions.
- Always ensure that the mount is securely attached before using the weapon.
- Avoid placing the mount in environments with extreme temperatures or humidity.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure that your weapon is unloaded and pointed in a safe direction.
2. **Mounting the Magnifier:**
  - Align the FAST OMNI MAGNIFIER MOUNT with the optical rail of your weapon.
  - Securely attach the mount using the provided screws and tools. Ensure that it is tightened to prevent movement during use.
3. **Positioning the Magnifier:**
  - Flip the magnifier to the center position as needed.
  - Ensure that the adjustment knobs on the host weapon's receiver are not obstructed by the mount.
4. **Final Check:**
  - Verify that the mount is stable and that the magnifier functions correctly.

### Usage Guidelines

- To use the magnifier, flip it into the operational position.
- When not in use, flip the magnifier back to the stowed position to maintain a low profile and avoid snag hazards.
- Regularly check the mount for tightness and stability during use.

## Disposal Instructions

- Dispose of the FAST OMNI MAGNIFIER MOUNT in accordance with local regulations.

- Do not dispose of the mount in regular household waste. Check for designated recycling or disposal facilities in your area.
