The newest addition to Magpul's popular DAKA line, the Magpul DAKA Lite Pouches were designed to be lightweight and highly packable while retaining the strengths of their original DAKA pouches. Made from a lighter, more flexible nylon material, the DAKA Lite line is intended for use where you need flexibility and weight savings over a more structured storage solution. The DAKA Lite Pouch is meant to carry everything from electronics to emergency equipment and is easily packed into larger storage containers like your day pack, hunting bag, or travel duffel. The versatile design makes the DAKA Lite Pouch perfect for backpacking, camping, biking, hunting, and lightweight vehicle organization. The RF welded seams of the 70D TPU-coated nylon keep the weight down without losing strength. The Magpul-embossed injection molded zipper-pull is easy to locate and manipulate, and carabiner attachment points make securing the pouch simple and effective. The DAKA Lite Pouch is essential equipment when saving weight is important to your success. Lightweight and extremely packable Made from 70D TPU-coated nylon Strong RF welded construction that creates permanent, impenetrable seals Rugged, easy to open and close zipper Injection molded zipper-pull

DAKA Lite Pouches Safety Instruction Guide

Introduction

Thank you for choosing the DAKA Lite Pouch by Magpul. This guide provides essential safety instructions to ensure the safe and effective use of your pouch. Please read this guide carefully to familiarize yourself with the safety guidelines, precautions, and proper usage instructions.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose, which is to carry lightweight items such as electronics and emergency equipment.
- Regularly inspect the pouch for any signs of wear or damage. If any damage is observed, discontinue use immediately.
- Keep the pouch out of reach of children to prevent any accidental use or injury.
- Do not overload the pouch beyond its intended capacity to avoid potential damage or failure.
- Be cautious when using the pouch in extreme weather conditions, as this may affect its performance.

Specific Safety Precautions for Use

- When packing the pouch, ensure that sharp objects are securely wrapped to prevent punctures or tears.
- Avoid exposing the pouch to excessive heat or open flames, as this may compromise the material integrity.
- If using the pouch for electronic devices, ensure that they are powered off or secured to prevent accidental activation.
- Do not use the pouch for carrying hazardous materials or substances that could cause harm to yourself or others.
- For outdoor activities, ensure that the pouch is securely attached to prevent loss during movement.

Instructions for Installation and Usage

1. Packing the Pouch:

- Open the zipper fully to access the interior of the pouch.
- Place items inside, ensuring that they are evenly distributed to maintain balance.
- Close the zipper securely after packing to prevent items from falling out.

2. Attaching the Pouch:

- Use the carabiner attachment points to secure the pouch to your backpack or other gear.
- Ensure that the attachment is secure and that the pouch is not at risk of detaching during use.

3. Cleaning and Maintenance:

- To clean the pouch, wipe it down with a damp cloth and mild soap.
- Allow the pouch to air dry completely before storing it.
- Avoid using harsh chemicals or abrasive materials that could damage the nylon fabric.

Disposal Instructions

- When the pouch reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for disposal of nylon materials to ensure compliance with environmental guidelines.
- If possible, recycle the pouch according to local recycling programs.
