Safety Instruction Guide for HUNTER AMERICAN STOCK W/ STANAG MAGAZINE WELL

Introduction

Thank you for choosing the HUNTER AMERICAN STOCK W/ STANAG MAGAZINE WELL by Magpul. This safety instruction guide is designed to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the stock and any associated firearms securely and out of reach of children and unauthorized users.
- Regularly inspect your stock for any signs of wear or damage before use.
- Be aware that modifications or improper installation can lead to unsafe conditions.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the stock.
- Do not exceed the recommended length of pull adjustments; adjustments should be made within the specified range of 13.0" to 15.0".
- Use only compatible accessories with the MLOK slots to avoid compromising the integrity of the stock.
- Ensure that all cheek risers are securely installed before use to prevent accidental detachment during operation.
- Be cautious when using the pushbutton QD swivel to avoid pinching or injury.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation of the Stock:

- Ensure the firearm is unloaded and safe.
- Remove the existing stock from your Ruger American Predator or Ranch rifle.
- Align the Hunter American Stock with the rifle's action and bedding block.
- Securely fasten the stock using the provided screws, ensuring a snug fit without overtightening.

2. Adjusting Length of Pull:

- Use the included .50" spacers to adjust the length of pull as needed.
- To adjust, remove the stock from the rifle and add or remove spacers as desired.
- Reattach the stock and verify that the adjustments are secure.

3. Cheek Riser Installation:

- Select the desired cheek riser from the available options (0.00", 0.50", 0.75").
- To install, align the riser with the designated slots on the stock and press until it clicks into place.
- Ensure the riser is firmly attached before use.

4. Using MLOK Slots:

- Attach accessories by sliding them into the MLOK slots and securing with the provided hardware.

- Ensure all accessories are tightened securely to prevent movement during use.

5. Using the Pushbutton QD Swivel:

- Attach the sling mount kit to the rear of the stock.
- Ensure the pushbutton QD swivel is fully engaged before using the sling.

Disposal Instructions

- Dispose of the stock and any associated components in accordance with local regulations.
- Do not dispose of the stock in regular household waste; consider recycling options if available.
- Remove any nonrecyclable components and dispose of them responsibly.
