## Introduction

Thank you for choosing the HUNTER AMERICAN STOCK W/ STANAG MAGAZINE WELL by MAGPUL. This guide provides essential safety instructions, installation procedures, and maintenance tips to ensure the safe and effective use of your product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model, in this case, the Ruger American Predator & Ranch rifle models.
- Always handle firearms and accessories with care, following all safety protocols.
- Store the stock and any associated components in a secure location, away from children and unauthorized users.
- Regularly inspect the stock and magazine well for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the stock.
- Do not exceed the maximum length of pull adjustment. Make adjustments only within the specified range of 13.0" to 15.0".
- Use only compatible accessories with the MLOK slots to prevent any hazardous situations.
- Ensure that the magazine well is properly secured to avoid accidental detachment during use.
- Use the provided cheek risers to ensure a proper cheek weld; do not attempt to modify them.
- Always follow the manufacturer's instructions for the safe operation of your firearm.

## Instructions for Installation and Usage

### 1. Installation of the Stock:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the Hunter American Stock with the receiver of the firearm.
- Secure the stock using the provided hardware, ensuring it is tightly fitted.

### 2. Adjusting Length of Pull:

- Locate the adjustment mechanism on the stock.
- Use the included .50" spacers to achieve the desired length of pull.
- Ensure that adjustments are locked in place before use.

### 3. Installing Cheek Risers:

- Select the appropriate cheek riser based on your preference.
- Align the riser with the designated slots on the stock.
- Secure the riser using the provided fasteners.

### 4. Using the Magazine Well:

- Insert the detachable box magazine into the magazine well until it clicks into place.

- Ensure the magazine is fully seated and secure before use.
- To remove the magazine, press the release button and pull the magazine out gently.

#### **5. MLOK Accessory Installation:**

- Select the desired accessory compatible with MLOK.
- Align the accessory with the MLOK slots on the forend.
- Secure the accessory using the provided hardware, ensuring it is tight and secure.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the stock or any components are damaged beyond repair, ensure they are disposed of safely to prevent accidents.
