Safety Instruction Guide for HUNTER AMERICAN STOCK with STANAG MAGAZINE WELL

Introduction

Thank you for choosing the HUNTER AMERICAN STOCK with STANAG MAGAZINE WELL by MAGPUL. This safety instruction guide is designed to provide you with important safety information, installation instructions, and guidelines for the proper use of this product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always treat your firearm and accessories with respect and care.
- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Keep the firearm pointed in a safe direction at all times.
- Use eye and ear protection when handling firearms.
- Store the stock and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and storage of firearms.

Specific Safety Precautions for Use

- Ensure that the stock is compatible with your Ruger American Predator or Ranch rifle before installation.
- Adjust the length of pull and cheek riser only when the firearm is unloaded and pointed in a safe direction.
- Do not exceed the recommended adjustments for length of pull and cheek riser.
- If you experience any difficulties during installation or use, stop immediately and consult a qualified gunsmith.
- Be aware that improper installation or modification of the stock may result in unsafe conditions.

Instructions for Installation and Usage

1. Unpacking the Stock

- Carefully remove the stock from its packaging.
- Inspect the stock for any visible damage or defects.

2. Installation

- Ensure that your Ruger American rifle is unloaded.
- Remove the existing stock from your rifle according to the manufacturer's instructions.
- Align the Hunter American Stock with the rifle's action and bedding block.
- Secure the stock in place using the provided screws. Ensure they are tightened to the manufacturer's specifications.

3. Adjusting Length of Pull

- Use the included spacers to adjust the length of pull.
- Adjust the stock from a minimum of 13.0 inches to a maximum of 15.0 inches.
- Ensure that the adjustments are secure before use.

4. Adjusting Cheek Riser

- Install the optional cheek risers to achieve the desired cheek weld.

- The stock comes prefitted with a 0.25inch riser; additional risers can be added as needed.
- Ensure that the cheek riser is securely fastened before use.

5. Accessory Installation

- Utilize the MLOK slots for mounting accessories as needed.
- Ensure that any accessories installed do not interfere with the operation of the rifle.

6. Final Checks

- After installation, conduct a thorough check to ensure everything is secure.
- Test the rifle for functionality in a safe environment.

Disposal Instructions

- Dispose of any packaging material in accordance with local regulations.
- If the stock is damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For further support or inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you are our top priority. Enjoy your shooting experience with the HUNTER AMERICAN STOCK with STANAG MAGAZINE WELL.
