# DAKA Single Pistol Case Safety Instructions

## Introduction

Thank you for purchasing the DAKA Single Pistol Case by MAGPUL. This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read and understand these instructions before using the case.

## General Safety Guidelines

- Ensure that the DAKA Single Pistol Case is used for its intended purpose, which is to carry and store pistols securely.
- Always check the case for any damage before use. Do not use if the case is damaged.
- Keep the case out of reach of children and vulnerable individuals to prevent accidental access.
- Store the case in a cool, dry place to avoid degradation of materials.
- Be aware of your local laws and regulations regarding firearm storage and transportation.

## Specific Safety Precautions for Use

- Always ensure that your pistol is unloaded before placing it in the case.
- Do not exceed the weight limit of the case to prevent damage and ensure safe handling.
- Avoid exposing the case to extreme temperatures or harsh chemicals, as these can affect its durability and functionality.
- When using the zipper, ensure that no objects are caught to prevent damage to the zipper or the case.
- Regularly inspect the protective EVA foam liner for wear and tear. Replace the case if the liner is damaged.

## Instructions for Installation and Usage

### 1. Opening the Case:

- Locate the YKK AquaGuard zipper and pull the zipper tab to open the case.
- Ensure that the zipper operates smoothly and that no fabric or material is caught in the zipper.

### 2. Placing the Pistol Inside:

- Open the case fully and lay it flat on a stable surface.
- Place your unloaded pistol inside the case, ensuring that it is positioned securely against the protective EVA foam liner.

### 3. Closing the Case:

- After placing the pistol inside, carefully close the case by pulling the zipper tab around the perimeter.
- Ensure that the zipper is fully closed and that no gaps are visible.

### 4. Transporting the Case:

- Use the carry handle or the paracord zipper pull for ease of transport.
- If needed, attach a carabiner to the designated attachment point for additional security.

### 5. Storing the Case:

- Store the case in a safe location, away from direct sunlight and moisture.
- Ensure that the case is not placed under heavy objects that could deform its shape.

## **Disposal Instructions**

- When the DAKA Single Pistol Case reaches the end of its life, dispose of it in accordance with local waste management regulations.
- If the case is damaged or no longer usable, consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the DAKA Single Pistol Case, please refer to the manufacturer's contact information included with your purchase.

Thank you for prioritizing safety while using the DAKA Single Pistol Case. Your adherence to these guidelines ensures a secure and reliable experience.
