[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The DAKA Utility Organizer is a durable, weather-resistant, compact case designed to protect, store, and secure your gear. Reinforced by its semi-rigid construction, the Utility Organizer provides extra protection to important items, making it the perfect tool kit, first-aid kit, admin pouch, travel kit, or electronics case. The exterior features a water-resistant YKK® AquaGuard® zipper with a large zipper pull for easy access and closure. The oversized pull tab and carabiner pass-through keep your gear at hand when you need it, and the pen dot matrix makes ID of what's stored within easy. The interior consists of one zippered mesh pocket on one side; on the other side are two vertical pockets and three elastic pass-throughs capable of storing tools, pens, documents, and managing cables. Like all their DAKA products, the Magpul DAKA Utility Organizer is made from polymer-infused textiles that are RF-welded on every seam. The construction methods and materials used in the DAKA line mean that our storage solutions are at home in a variety of hard-use outdoor applications, yet they're stylish enough to be front and center in your vehicle or office. Overall size of 4.5" x 7.5" x 1.75" Includes one zippered mesh pocket (6.75" x 3.75"), two vertical pockets (min. 4" x 3.75"), and three elastic pass-throughs (1" x 1.25") Useful as a tool kit, first aid kit, admin pouch, travel kit, or electronics case Polymer-infused material with welded construction creates permanent, impenetrable seals Carabiner attachment point Chemical-resistant and non-hygroscopic 550 paracord with heat shrink tubing for enhanced grip, even with gloves

DAKA Utility Organizer Safety Instruction Guide

Introduction

Thank you for choosing the DAKA Utility Organizer by Magpul. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your organizer. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the DAKA Utility Organizer is used only for its intended purpose: storing and organizing tools, documents, and other nonfood items.
- Keep the organizer out of reach of children to prevent accidents or misuse.
- Regularly inspect the organizer for any signs of wear or damage. Do not use if damaged.
- Avoid exposing the organizer to extreme temperatures or harsh chemicals, which may compromise its durability.
- In case of any malfunction or unexpected behavior, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Always close the zipper completely when not in use to prevent items from falling out.
- Be cautious when storing sharp tools or objects to avoid injury when accessing the organizer.
- Ensure the carabiner attachment point is securely fastened to prevent accidental detachment.
- When using the organizer in outdoor environments, ensure it is secured against wind or rain to protect contents.
- If using the organizer with gloves, ensure the grip is secure to prevent slippage.

Instructions for Installation and Usage

- **Installation:**
 - There is no specific installation required for the DAKA Utility Organizer. Simply unpack the organizer and store your items as needed.
- **Usage:**
 - Open the organizer by pulling the large zipper pull.
 - Store items in the designated pockets and elastic passthroughs to keep them secure and organized.
 - Use the zippered mesh pocket for smaller items that need visibility.
 - When finished, close the organizer securely using the zipper.
 - Attach the carabiner to a belt loop, bag, or other secure location for easy access.

Disposal Instructions

- Dispose of the DAKA Utility Organizer responsibly in accordance with local waste management regulations.
- If the organizer is damaged beyond repair, consider recycling the materials if possible.
- Do not burn the organizer, as it may release harmful substances.
