

# ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 12.7" HANDGRD M-LOK FREE FLOAT FOR AR-15 RAL8000

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

# ATLAS RONE MLOK Free Floating Handguards

## Safety Instructions

### Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before using the handguard.

### General Safety Guidelines

- Ensure that the handguard is compatible with your AR15 model before installation.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the handguard and tools.
- Inspect the handguard and all mounting hardware for any damage or defects before installation.
- Keep the handguard and all related components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Do not exceed the manufacturer's recommended weight limit for attachments on the handguard.

### Specific Safety Precautions for Use

- Use the handguard only for its intended purpose as a mounting platform for accessories.
- Avoid using the handguard with accessories that exceed the weight limits specified in the product documentation.
- Ensure that all attachments are securely mounted and regularly checked for tightness.
- Do not modify or alter the handguard in any way, as this may compromise its structural integrity and safety.
- Be aware of your surroundings and ensure a safe environment when handling your firearm with the installed handguard.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools and Components:** Ensure you have all necessary tools, including a torque wrench, and that you have the ATLAS RONE handguard and mounting hardware.
2. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction. Remove the existing handguard if necessary.
3. **Install the Barrel Nut:**
  - Follow the instructions provided with the ATLAS attachment system to install the barrel nut.
  - Use the turnbuckle screw to secure the barrel nut in place, ensuring even pressure across the nut.
4. **Attach the Handguard:**
  - Slide the ATLAS RONE handguard over the installed barrel nut.
  - Align the handguard with the mounting points and secure it using the provided locking nuts.
5. **Check Stability:** After installation, check that the handguard is securely attached and does not wobble.
6. **Final Inspection:** Inspect all components to ensure they are secure and properly installed before use.

### Usage Instructions

- When using the handguard, ensure that all accessories are properly mounted and do not obstruct the operation of the firearm.
- Regularly inspect the handguard and accessories for any signs of wear or damage.
- If you notice any issues during use, cease operation immediately and conduct a thorough inspection.

## **Disposal Instructions**

- Dispose of the handguard and any packaging materials in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling the aluminum material where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact details provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ATLAS RONE MLOK Free Floating Handguards. Thank you for your attention to safety and for choosing Aero Precision products.
