

# REVIC ACURA SPOTTING SCOPE 27-55X W/ 80MM OBJECTIVE - GUNWERKS ACURA SPOTTING SCOPE 27-55X W 80MM OBJECTIVE

[Optics & Mounting](#) > [Spotting Scopes & Accessories](#) > [Spotting Scopes](#)

The Revic Acura Spotting Scope was designed for the long range shooter. Featuring a 22X fixed power reticle eyepiece, the Acura spotting scope excels in shooter/spotter scenarios, enabling the operator to spot impacts and give accurate calls and corrections to the shooter. The wide angle, fixed power eyepiece offers an incredible eyebox and clear view for catching bullet trace and quick target acquisition. With the included variable 27-55 power eyepiece, extra low dispersion glass and superior coatings the Acura Spotting Scope provide a crisp, sharp, distortion free view of your chosen target. The lightweight composite and aluminum body overmolded with rubber body armor and the included neoprene cover ensures the rugged durability you need. When you need to call the shot, the answer is clear - The Revic Acura Spotter, by Gunwerks. Features:

- Fixed magnification 22X reticle eyepiece
- Included variable magnification 27-55X eyepiece
- Included carry/travel case
- Neoprene scope cover
- Eyepiece cap covers
- Integrated sunshade
- Windage and elevation correction reticle

# Revic Acura Spotting Scope Safety Instruction Guide

## Introduction

Thank you for choosing the Revic Acura Spotting Scope. This guide provides essential safety instructions and usage recommendations to ensure you get the most out of your spotting scope while keeping safety at the forefront. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the spotting scope is used only for its intended purpose as a longrange observation tool.
- Always handle the spotting scope with care to avoid dropping or damaging it.
- Keep the spotting scope out of reach of children and pets to prevent accidents.
- Regularly inspect the spotting scope for any signs of damage or wear. Do not use if damaged.
- Store the spotting scope in a dry place and in its protective case when not in use.
- Be aware of your surroundings when using the spotting scope, especially in outdoor environments.

## Specific Safety Precautions for Use

- **Eye Safety:** Always use the spotting scope with both eyes open to reduce eye strain. Do not look directly at the sun through the scope, as it can cause permanent eye damage.
- **Weather Conditions:** Avoid using the spotting scope in extreme weather conditions, such as heavy rain or strong winds. The antifog coating helps in humid conditions, but prolonged exposure to moisture should be avoided.
- **Mounting:** If using a tripod, ensure it is stable and securely mounted to prevent tipping or falling.
- **Magnification:** When adjusting the magnification, do so gradually to avoid sudden jumps in view that may cause disorientation.
- **Transport:** Always use the included carry/travel case to protect the spotting scope during transport.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the spotting scope and all included accessories from the packaging. Check for any damage and ensure all parts are present.
2. **Attaching the Eyepiece:**
  - Choose the appropriate eyepiece (22X fixed power or 2755X variable).
  - Align the eyepiece with the scope body and twist to secure it in place.
3. **Using the Spotting Scope:**
  - Position the spotting scope on a stable surface or attach it to a tripod.
  - Adjust the objective lens to focus on the target.
  - Use the windage and elevation correction reticle for precise aiming.
  - For best results, use the integrated sunshade to reduce glare.
4. **Maintenance:**
  - Clean the lenses with a soft, lintfree cloth. Avoid using harsh chemicals.
  - Store the spotting scope in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the spotting scope and its components in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for local ewaste recycling programs.
- Remove batteries (if applicable) and dispose of them properly according to local regulations.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product documentation or your point of purchase. Always ensure you are using the product in accordance with the safety guidelines provided.

Thank you for your attention to these safety instructions. Enjoy your experience with the Revic Acura Spotting Scope, and always prioritize safety in its use.
