

AIMPOINT COMPM5 LEAP/10 MOUNT - SCALARWORKS AIMPOINT COMPM5 1.57" LEAP/10 QD MOUNT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

An Extra-Strong Mount for Your Aimpoint CompM5 This is literally the strongest quick-Adetach mount ever devised for the Aimpoint CompM5, so there's no way you can go wrong by grabbing the Scalarworks Leap Mount. How do we know it's the strongest? Because the company proved it. Scalarworks took a group of commonly encountered quick-detach optic mounts on the market and put them through a stress test that could put up to 1,500 pounds of force on each mount. They took the lessons learned from these destructive tests and created a reinforced design that could outlast them all. As a result, this Scalarworks Leap Mount for the Aimpoint CompM5 is one of the lightest, strongest mounting systems available today. It's available in 1.42- and 1.57-inch heights and features an all-black finish.

Safety Instruction Guide for AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS

Introduction

Thank you for choosing the AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your mount. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the mount out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Do not modify the mount in any way, as this may compromise its safety and integrity.

Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to the firearm before use.
- Check that all components are properly tightened and functioning before use.
- Do not exceed the weight limit specified by the manufacturer.
- Be aware of your surroundings and ensure that the area is safe when using the mount.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the mount.

Instructions for Installation and Usage

Installation

1. Prepare the Mounting Surface:

- Clean the area where the mount will be installed to ensure a secure fit.

2. Attach the Mount:

- Align the mount with the mounting surface of the Aimpoint CompM5.
- Use the provided screws and tools to secure the mount in place, ensuring it is tight but not overtorqued.

3. Check Alignment:

- Verify that the mount is level and aligned properly with the sight.

Usage

1. Before Use:

- Inspect the mount for any signs of damage or wear.
- Ensure that the mount is securely attached to the firearm.

2. During Use:

- Maintain a firm grip on the firearm and be aware of your surroundings.

- Monitor the mount for any signs of loosening or damage during use.

3. After Use:

- Clean the mount to remove any debris or moisture.
- Store the mount in a safe, dry place away from children.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact the manufacturer or your local retailer. Ensure that you have your product details handy for a quicker response.

By following these guidelines, you can help ensure a safe and effective experience with your AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS. Thank you for your attention to safety.
