

AIMPOINT COMPM5 LEAP/10 MOUNT - SCALARWORKS AIMPOINT COMPM5 1.93" LEAP/10 QD MOUNT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

An Extra-Strong Mount for Your Aimpoint CompM5 This is literally the strongest quick-Adetach mount ever devised for the Aimpoint CompM5, so there's no way you can go wrong by grabbing the Scalarworks Leap Mount. How do we know it's the strongest? Because the company proved it. Scalarworks took a group of commonly encountered quick-detach optic mounts on the market and put them through a stress test that could put up to 1,500 pounds of force on each mount. They took the lessons learned from these destructive tests and created a reinforced design that could outlast them all. As a result, this Scalarworks Leap Mount for the Aimpoint CompM5 is one of the lightest, strongest mounting systems available today. It's available in 1.42- and 1.57-inch heights and features an all-black finish.

AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS. This guide provides important safety information and instructions to help ensure the safe use and installation of your mounting system. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the mount is compatible with your Aimpoint CompM5 before installation.
- Inspect the mount regularly for any signs of damage or wear.
- Do not exceed the recommended weight limit of the mount.
- Keep the mount out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the use of optical devices.

Specific Safety Precautions for Use

- Ensure the mount is securely attached to the firearm before use.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Do not modify the mount in any way, as this may compromise its safety and effectiveness.
- If you notice any unusual sounds or movements during use, discontinue use immediately and inspect the mount.
- Use the mount only for its intended purpose as specified by the manufacturer.

Instructions for Installation and Usage

1. Installation

- Ensure that you have all necessary tools before beginning the installation.
- Clean the mounting area on your Aimpoint CompM5 to remove any debris or oils.
- Align the Scalarworks Leap Mount with the mounting interface on the Aimpoint CompM5.
- Securely fasten the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that the mount is securely attached before proceeding.

2. Usage

- Before each use, inspect the mount for any signs of damage or looseness.
- When using the Aimpoint CompM5 mounted on the Scalarworks Leap Mount, ensure that the mount is stable and secure.
- Familiarize yourself with the operation of the Aimpoint CompM5 and how it interacts with the mount.
- Store the mounted device in a safe location when not in use, away from children and pets.

Disposal Instructions

- Dispose of the AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the mount if possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or support regarding the AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS, please contact the manufacturer directly through their official channels. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your AIMPOINT COMPM5 LEAP/10 MOUNT SCALARWORKS. Thank you for your attention to safety!
