

BACK STRAP - SPIRITUS SYSTEMS BACK STRAP, BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

It's pretty simple: if you have a Micro Fight Chest Rig, you're going to need this. The Back Strap provides the retention necessary to keep the Chassis close to your body. The back strap attaches to the lower buckles on your Micro Fight Chest Rig and wraps around your lower back. This strap can also be used as a sling if you wish to carry your Micro Fight in a cross-body configuration as a "Go Bag." The Micro Fight Back Strap has a maximum adjustment of 36 inches and a minimum adjustment of 8 inches. NOTE: The BACK STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. The BACK STRAP is a necessary component of the Micro Fight Chest Rig System when running as a stand-alone system and highly suggested on a plate carrier. Some images shown with optional accessories, sold separately.

Safety Instruction Guide for BACK STRAP SPIRITUS SYSTEMS BACK STRAP, BLACK

Introduction

Thank you for choosing the BACK STRAP SPIRITUS SYSTEMS BACK STRAP. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the Back Strap.

General Safety Guidelines

- Ensure that the Back Strap is used only for its intended purpose with the Micro Fight Chest Rig.
- Regularly inspect the Back Strap for any signs of wear, damage, or malfunction before each use.
- Keep the Back Strap out of reach of children and vulnerable individuals to prevent accidents.
- Do not modify the Back Strap in any way, as this could compromise its safety and effectiveness.
- Always follow the manufacturer's instructions for use and maintenance.

Specific Safety Precautions for Use

- **Retention:** Ensure that the Back Strap is securely attached to the lower buckles of your Micro Fight Chest Rig to maintain proper retention.
- **Adjustability:** The Back Strap can be adjusted between 8 inches and 36 inches. Make sure it is adjusted to fit comfortably around your lower back without being too loose or too tight.
- **Sling Use:** If using the Back Strap as a sling in a crossbody configuration, ensure that it is properly adjusted to prevent slipping and to maintain stability.
- **Weight Distribution:** Be mindful of the weight you carry with the Micro Fight Chest Rig. Overloading may affect comfort and safety.

Instructions for Installation and Usage

1. Installation:

- Locate the lower buckles on your Micro Fight Chest Rig.
- Attach the Back Strap to each of the lower buckles securely.
- Wrap the strap around your lower back, ensuring it is positioned comfortably.
- Adjust the strap length to fit your body size, ensuring it is snug but not restrictive.

2. Usage:

- When wearing the Micro Fight Chest Rig with the Back Strap, ensure that all components are securely fastened.
- If using the Back Strap as a sling, adjust it to your preferred length for crossbody carrying.
- Always check the stability of the Back Strap and the Chest Rig before engaging in any activities.

Disposal Instructions

- Do not dispose of the Back Strap in regular household waste.
- Follow local regulations for the disposal of textile products.
- If the Back Strap is damaged beyond repair, consider recycling it if possible.

Contact Information for Further Support

For safety inquiries or additional information regarding product safety, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

Thank you for your attention to these safety guidelines. Your safety is our priority.
