

# EXPANDER WING MK 2 - SPIRITUS SYSTEMS EXPANDER WING MK 2, BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

The Expander Wing Mk 2 was built as direct replacement for the original Spiritus Systems Micro Fight Expander Wing Set with a focus on enhancing the product's functionality for plate carriers. The wing attaches to a Micro Fight Chassis or 556 Placard with a Velcro flap and can be mounted for increased storage capacity on a chest rig or under the cummerbunds of a LV/119.

Unlike its predecessor, the Expander Wing Mk 2 is completely reversible, and can be used on either the right or left side of the torso without any reduction in functionality or storage capacity. Spiritus Systems sells the Expander Wing Mk 2 individually for end users who do not require a full set for their loadout. (Reminder: If you want a set of these, make sure to add TWO to the cart.)

Wings used for chest rigs are mounted to the soft loop Velcro field on the back side of the Micro Fight Chest Rig. They also utilize Spiritus Systems unique loop over design that attaches to your Fat or Skinny straps to ensure a comfortable and stable attachment that will not sag even with heavy items placed inside. When used in conjunction with plate carriers, the Expander Wing Mk 2 will integrate with both Velcro and TUBES cummerbunds. The wing features a TUBES bar pass-through so the cummerbund can be attached or separated without the need to remove the expander wing. The Expander Wing Mk 2 is designed to hug the body which reduces their signature and securely holds items in place. The base Expander Wing Mk 2 pocket depth is 6" however, the adjustable internal retention strap can be lengthened or shortened to create the perfect pocket depth for your items. The top of the pocket also features double eyelets and a bungee retention kit, so radios and magazines remain secure during periods of movement. The expander wing will hold most small & medium caliber rifle magazines as well as a variety of radio platforms like the MPU5, 152, 163, and smaller units like Motorola XTS 5000.

## Attributes

- Name: [SPIRITUS SYSTEMS EXPANDER WING MK 2, BLACK](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430100522
- Mfr. No.: CR-EW-BK-02
- Colour: Black
- Delivery weight: 0.092kg
- Shipping height: 13mm
- Shipping width: 152mm
- Shipping length: 254mm

# EXPANDER WING MK 2 Safety Instruction Guide

## Introduction

Thank you for choosing the EXPANDER WING MK 2 by Spiritus Systems. This product is designed to enhance the functionality of your plate carrier and provide additional storage options. To ensure your safety and the best performance from your product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the EXPANDER WING MK 2 before each use to ensure it is in good condition and free from damage.
- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the product away from children and vulnerable individuals to prevent accidents or injuries.
- Regularly check for updates regarding product recalls or safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the EXPANDER WING MK 2 is securely attached to your Micro Fight Chassis or 556 Placard before use.
- Avoid overloading the pockets of the EXPANDER WING MK 2 to maintain stability and comfort.
- When using the EXPANDER WING MK 2 with a plate carrier, ensure proper integration with Velcro and TUBES cummerbunds to avoid detachment.
- Adjust the internal retention strap to avoid items falling out during movement.
- Be cautious when using the product in highmobility situations to prevent snagging or entanglement.

## Instructions for Installation and Usage

### 1. Attaching the EXPANDER WING MK 2:

- Locate the Velcro flap on the EXPANDER WING MK 2.
- Align the flap with the Micro Fight Chassis or 556 Placard.
- Press firmly to secure the Velcro attachment.

### 2. Mounting on Chest Rigs:

- Attach the wings to the soft loop Velcro field on the back side of the Micro Fight Chest Rig.
- Ensure that the attachment is secure and stable.

### 3. Adjusting Pocket Depth:

- To adjust the internal retention strap, locate the strap inside the pocket.
- Pull the strap to lengthen or shorten it according to your preference.
- Ensure that the pocket depth is suitable for the items you plan to store.

### 4. Using with Plate Carriers:

- Integrate the EXPANDER WING MK 2 with your plate carrier by ensuring compatibility with Velcro and TUBES cummerbunds.
- Use the TUBES bar passthrough for easy attachment or separation of the cummerbund.

### 5. Securing Items:

- Place items such as magazines or radios inside the pockets.

- Use the bungee retention kit and double eyelets at the top of the pocket to secure items during movement.

## Disposal Instructions

- Dispose of the EXPANDER WING MK 2 responsibly and in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please contact the appropriate support channels available in your region.

Thank you for your attention to these safety instructions. Enjoy the enhanced functionality of your EXPANDER WING MK 2!
