

# RIFLE MAGAZINE INSERTS - SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, SINGLE, 5.56 X .45

[Home](#)

WARNING: This insert is ONLY compatible with the Micro Fight MK3 and MK4 Chassis. It is not compatible with the MK2 or MK1 Chassis, nor plate carrier kangaroo pouches. The 5.56 Rifle Single Insert is a custom insert that allows you to plus-up magazines one by one. It can fit into either pocket on the Micro Fight Chassis MK 3, as well as the FRONT POCKET only on the MK2. This product is not compatible with the MK1 series. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. This product is also compatible with the Unity Tactical CLUTCH belt. The Micro Fight Magazine Insert is a custom solution to a common problem. Instead of using pull tabs, Velcro, snap flaps, or a hard kydex insert; we have chosen to use something a little more versatile. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. Elastic will not deform due to heat over time and although it will loosen some with use, it will still provide excellent retention of your magazines. The magazine insert is retained by hard loop velcro sewn to both sides. This allows for the insert to fit in the front and rear pockets of the Micro Fight Chassis (MK3 and Mk4). The Micro Fight Rifle Magazine Insert will accept both PMAGS and USGI magazines. This is a critical component of the Micro Fight Chest Rig System. You can place an insert in both the front and rear pocket of your Micro Fight Chest Rig. This will enable you to hold a total of 6 x 5.56 Magazines or 4 x 7.62 Magazines. Available in Jet Black Only The Micro Fight Rifle Inserts are currently available in the following configurations:

- 5.56 x .45 - 3 magazines, single stack. Dimensions 9" x 4"
- 7.62 x .51 - 2 magazines, single stack. Dimension 7.75" x 4"
- 7.62 x .51 (HK) 2 magazines, single stack. Dimensions 9" x 4"

NOTE: The MAGAZINE INSERT is a required product for the Micro Fight Chest Rig System. Some images shown with optional accessories, sold separately.

## Attributes

# Safety Instruction Guide for RIFLE MAGAZINE INSERTS SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, SINGLE, 5.56 X .45

## Introduction

Thank you for choosing the RIFLE MAGAZINE INSERTS SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, SINGLE, 5.56 X .45. This product is designed to enhance your magazine storage capabilities while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure the product is compatible with your equipment. This insert is ONLY compatible with the Micro Fight MK3 and MK4 Chassis. It is not compatible with the MK2 or MK1 Chassis, nor plate carrier kangaroo pouches.
- Regularly inspect the insert for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep this product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use and storage of firearm accessories.

## Specific Safety Precautions for Use

- When inserting or removing magazines, do so quietly to avoid drawing unnecessary attention.
- Ensure that the magazine insert is securely placed in the pocket of the Micro Fight Chassis before use.
- Avoid using excessive force when inserting or removing magazines to prevent damage to the insert or magazines.
- Be aware of your surroundings when accessing your magazines to ensure safety and security.
- Store magazines in a safe and secure manner when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Micro Fight Chassis is clean and free of debris.
- Open the front or rear pocket of the Micro Fight Chassis.
- Place the magazine insert into the chosen pocket, ensuring it is oriented correctly.
- The hard loop Velcro should be aligned with the Velcro in the pocket to secure the insert.

### 2. Usage:

- To access a magazine, gently pull the elastic to release the magazine from the insert.
- When inserting a magazine, slide it into the insert while ensuring it is aligned properly.
- Repeat the process for additional magazines as needed.
- For optimal retention, ensure that the elastic is not overstretched.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and textile waste.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents any potential hazards to the environment or individuals.

## **Contact Information for Further Support**

For any inquiries regarding the product, including safety concerns or compatibility questions, please refer to the manufacturer's contact information provided on the packaging or the official website.

By following these guidelines and instructions, you can ensure safe and effective use of the RIFLE MAGAZINE INSERTS SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, SINGLE, 5.56 X .45. Thank you for your attention to safety and compliance.
