

RIFLE MAGAZINE INSERTS - SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, TRIPLE 5.56 X .45

[Home](#)

WARNING: This insert is ONLY compatible with the Micro Fight MK3 and MK4 Chassis. It is not compatible with the MK2 or MK1 Chassis, nor plate carrier kangaroo pouches. The 5.56 Rifle Single Insert is a custom insert that allows you to plus-up magazines one by one. It can fit into either pocket on the Micro Fight Chassis MK 3, as well as the FRONT POCKET only on the MK2. This product is not compatible with the MK1 series. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. This product is also compatible with the Unity Tactical CLUTCH belt. The Micro Fight Magazine Insert is a custom solution to a common problem. Instead of using pull tabs, Velcro, snap flaps, or a hard kydex insert; we have chosen to use something a little more versatile. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. Elastic will not deform due to heat over time and although it will loosen some with use, it will still provide excellent retention of your magazines. The magazine insert is retained by hard loop velcro sewn to both sides. This allows for the insert to fit in the front and rear pockets of the Micro Fight Chassis (MK3 and Mk4). The Micro Fight Rifle Magazine Insert will accept both PMAGS and USGI magazines. This is a critical component of the Micro Fight Chest Rig System. You can place an insert in both the front and rear pocket of your Micro Fight Chest Rig. This will enable you to hold a total of 6 x 5.56 Magazines or 4 x 7.62 Magazines. Available in Jet Black Only The Micro Fight Rifle Inserts are currently available in the following configurations:

- 5.56 x .45 - 3 magazines, single stack. Dimensions 9" x 4"
- 7.62 x .51 - 2 magazines, single stack. Dimension 7.75" x 4"
- 7.62 x .51 (HK) 2 magazines, single stack. Dimensions 9" x 4"

NOTE: The MAGAZINE INSERT is a required product for the Micro Fight Chest Rig System. Some images shown with optional accessories, sold separately.

Safety Instruction Guide for RIFLE MAGAZINE INSERTS SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, TRIPLE 5.56 X .45

Introduction

Thank you for choosing the RIFLE MAGAZINE INSERTS by Spiritus Systems. This guide provides essential safety instructions and precautions to ensure the safe and effective use of this product. Please read this guide carefully before using the product to understand the safety measures and proper handling.

General Safety Guidelines

- Ensure that the product is used only with compatible chassis, specifically the Micro Fight MK3 and MK4. It is not compatible with MK2 or MK1 chassis.
- The insert is designed for use with 5.56 x .45 magazines and should not be used with other calibers unless specified.
- Always check for any visible damage to the product before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals. This product is not intended for use by minors.
- Always follow local laws and regulations regarding the use and storage of firearm accessories.

Specific Safety Precautions for Use

- **Compatibility:** Use only with the specified Micro Fight chassis (MK3 and MK4). Do not attempt to use with MK1 or MK2 chassis or other pouches.
- **Magazines:** Ensure that only PMAGS and USGI magazines are used with this insert. Other magazine types may not fit securely.
- **Accessing Magazines:** When removing or adding magazines, do so quietly and carefully to ensure that you maintain control of the magazine and do not drop it.
- **Retention:** Be aware that while the elastic will provide excellent retention, it may loosen over time with use. Regularly check the retention of your magazines.
- **Heat Exposure:** Avoid exposing the insert to extreme heat as it may affect the elastic's performance.

Instructions for Installation and Usage

1. Installation:

- Locate the front and rear pockets of the Micro Fight Chassis MK3 or MK4.
- Insert the magazine insert into the desired pocket. Ensure that it fits securely and is retained by the hard loop Velcro sewn to both sides of the insert.
- Confirm that the insert is properly seated before loading magazines.

2. Usage:

- Load the magazines into the insert one by one. Ensure that they are seated properly for optimal retention.
- To remove a magazine, gently pull it out while ensuring that the insert remains in place.
- For adding a magazine, align it with the insert and push it in until it is fully seated.
- Regularly inspect the insert for signs of wear or damage.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged or no longer needed, please consider recycling options where available.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions regarding safety, usage, or compatibility, please refer to the manufacturer's website or customer service resources. Ensure that you have the product details ready for efficient assistance.

By following these guidelines, you can ensure a safer experience with your RIFLE MAGAZINE INSERTS by Spiritus Systems. Always prioritize safety and stay informed about best practices for handling firearm accessories.
