

# RIFLE MAGAZINE INSERTS - SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, SINGLE, 7.62 X .51

[Home](#)

WARNING: This insert is ONLY compatible with the Micro Fight MK3 and MK4 Chassis. It is not compatible with the MK2 or MK1 Chassis, nor plate carrier kangaroo pouches. The 5.56 Rifle Single Insert is a custom insert that allows you to plus-up magazines one by one. It can fit into either pocket on the Micro Fight Chassis MK 3, as well as the FRONT POCKET only on the MK2. This product is not compatible with the MK1 series. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. This product is also compatible with the Unity Tactical CLUTCH belt. The Micro Fight Magazine Insert is a custom solution to a common problem. Instead of using pull tabs, Velcro, snap flaps, or a hard kydex insert; we have chosen to use something a little more versatile. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. Elastic will not deform due to heat over time and although it will loosen some with use, it will still provide excellent retention of your magazines. The magazine insert is retained by hard loop velcro sewn to both sides. This allows for the insert to fit in the front and rear pockets of the Micro Fight Chassis (MK3 and Mk4). The Micro Fight Rifle Magazine Insert will accept both PMAGS and USGI magazines. This is a critical component of the Micro Fight Chest Rig System. You can place an insert in both the front and rear pocket of your Micro Fight Chest Rig. This will enable you to hold a total of 6 x 5.56 Magazines or 4 x 7.62 Magazines. Available in Jet Black Only The Micro Fight Rifle Inserts are currently available in the following configurations:

- 5.56 x .45 - 3 magazines, single stack. Dimensions 9" x 4"
- 7.62 x .51 - 2 magazines, single stack. Dimension 7.75" x 4"
- 7.62 x .51 (HK) 2 magazines, single stack. Dimensions 9" x 4"

NOTE: The MAGAZINE INSERT is a required product for the Micro Fight Chest Rig System. Some images shown with optional accessories, sold separately.

# Safety Instruction Guide for RIFLE MAGAZINE INSERTS

## Introduction

Thank you for choosing the RIFLE MAGAZINE INSERT from SPIRITUS SYSTEMS. This guide provides essential safety instructions and usage information to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the RIFLE MAGAZINE INSERT is compatible with your Micro Fight MK3 or MK4 Chassis. It is not compatible with MK2 or MK1 Chassis or plate carrier kangaroo pouches.
- Use the product only as intended. Misuse may lead to accidents or injuries.
- Keep the product out of reach of children to avoid any potential hazards.
- Regularly inspect the product for wear and tear. Discontinue use if any damage is found.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When inserting or removing magazines, do so carefully to avoid pinching fingers.
- Ensure magazines are securely retained in the insert to prevent them from falling out during movement.
- Avoid exposing the insert to extreme heat, which may affect the elastic material and compromise its integrity.
- Use the insert only with compatible magazines (PMAGS and USGI magazines) to ensure proper fit and function.
- Be aware of your surroundings when accessing your magazines to avoid accidental injury to yourself or others.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the front and rear pockets of your Micro Fight Chassis (MK3 and MK4).
- Insert the RIFLE MAGAZINE INSERT into the desired pocket, ensuring that the hard loop velcro is securely attached to the sides of the pocket.
- Confirm that the insert is properly positioned and does not obstruct any other components of the Chassis.

### 2. Usage:

- To add a magazine, gently pull the elastic to create space and insert the magazine. Ensure it is seated properly.
- To remove a magazine, gently pull the elastic away from the magazine and lift the magazine out.
- Always check that the magazine is securely retained after insertion.

## Disposal Instructions

- Dispose of the RIFLE MAGAZINE INSERT in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options specific to materials used in the product.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential

hazards to the environment or others.

## **Contact Information for Further Support**

For any inquiries, concerns, or further support regarding the RIFLE MAGAZINE INSERT, please refer to the manufacturer's contact information found on the product packaging or the official website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your experience with the RIFLE MAGAZINE INSERT from SPIRITUS SYSTEMS.
