

# BACK PANEL GP FLAP - SPIRITUS SYSTEMS BACK PANEL GP FLAP, RANGER GREEN

[Home](#)

\*\*\* This product attaches to the ASSAULT BACK PANEL CORE. It is NOT standalone and requires a Core to function properly.\*\*\* GP Flap The GP Flap is a single pocket zip on attachment to our Assault Back Panel Core. It consists of one pocket that measures 10" x 6" x 2.5" The pocket was built to store extra items that may be needed on an operation such as medical equipment or roll up flex linear charges. The pocket features a half zippered closure to prevent items from inadvertently dumping out unzipping the pouch. Inside the pocket there is Velcro loop lined on both sides for the addition of hook Velcro accessories. There are also two tie down locations on the interior for securing sensitive items. The GP Flap has two built-in channels behind the pocket that allows for the storage of linear items, such as Slap Charges and Breach Pens. The front of the pocket offers a smaller zippered stash pocket for organizing smaller items and features a loop Velcro field that measures 2" x 9" for attaching placards or velcro patches. The GP flap is attached to the Assault Back Panel Core by a separating dual zipper, 3 directional snaps and a hook/loop Velcro field. Some images show with optional accessories, sold separately.

# Safety Instruction Guide for BACK PANEL GP FLAP

## SPIRITUS SYSTEMS BACK PANEL GP FLAP, RANGER GREEN

### Introduction

Thank you for choosing the BACK PANEL GP FLAP from SPIRITUS SYSTEMS. This guide provides important safety information and instructions for the proper use of this product. Please read this guide carefully to ensure safe operation and maintenance.

### General Safety Guidelines

To ensure the safe use of the BACK PANEL GP FLAP, please adhere to the following guidelines:

- **Product Safety:** This product is designed for use with the ASSAULT BACK PANEL CORE and is not intended to be used as a standalone item. Ensure that you have the compatible Core for safe operation.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, please follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations to guarantee the product's safety.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children to prevent any potential hazards.
- **EU Contact Point:** For any safety inquiries regarding this product, please contact the designated EU-based support.
- **Rapid Alerts:** Stay updated on product safety through the Safety Gate system, which provides rapid alerts on unsafe products.

### Specific Safety Precautions for Use

When using the BACK PANEL GP FLAP, please observe the following precautions:

- **Compatibility:** Ensure that the GP Flap is securely attached to the ASSAULT BACK PANEL CORE before use.
- **Zipper Safety:** Be cautious while using the half zippered closure to avoid accidental opening and spilling of contents.
- **Storage of Items:** Only store items that fit within the specified dimensions of the pocket (10" x 6" x 2.5"). Avoid overloading to maintain structural integrity.
- **Secure Sensitive Items:** Use the tiedown locations inside the pocket to secure sensitive items and prevent movement during operations.
- **Hook Velcro Accessories:** If using hook Velcro accessories, ensure they are compatible and securely attached to avoid detachment during use.

### Instructions for Installation and Usage

Follow these steps for the correct installation and usage of the BACK PANEL GP FLAP:

#### 1. Installation:

- Attach the GP Flap to the ASSAULT BACK PANEL CORE using the separating dual zipper.
- Secure the flap with the 3 directional snaps.
- Ensure the hook/loop Velcro field is properly engaged for a secure fit.

## 2. Usage:

- Open the half zippered closure to access the main pocket.
- Store items in the pocket, ensuring they do not exceed the specified dimensions.
- Use the smaller zippered stash pocket for organizing smaller items.
- Attach any desired placards or Velcro patches to the loop Velcro field measuring 2" x 9".

## 3. Maintenance:

- Regularly check the attachment points and zippers for wear and tear.
- Clean the fabric with a damp cloth as necessary. Avoid using harsh chemicals.

## Disposal Instructions

When disposing of the BACK PANEL GP FLAP, please follow these guidelines:

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding textile and plastic waste.
- **Recycling:** If applicable, recycle any components that can be recycled to minimize environmental impact.
- **General Waste:** For components that cannot be recycled, dispose of them in general waste.

## Contact Information for Further Support

For any additional questions or concerns regarding the BACK PANEL GP FLAP, please refer to the customer support section provided by the manufacturer.
