

MOLLE BACK PANEL LITE - SPIRITUS SYSTEMS MOLLE BACK PANEL LITE , MULTICAM

[Home](#)

The MOLLE back panel was designed to give LV/119 O V E R T users the ability to quickly swap out multiple rear bag loadout configurations based on the needs of a mission set. With its semi-rigid MOLLE frame, multiple anchor points, and quick zip installation, the MOLLE Back Panel is just as robust as a permanent sewn-in system while providing a near limitless set of pouch combination options. The MOLLE Back Panel features six columns of MOLLE, which provides ample real estate for attaching water bladders, wide pouches, or multiple small pouches side-by-side. End users can now keep one plate carrier for all missions and simply swap out back panels that have been preloaded with specific equipment and MOLLE storage solutions. Swapping between MOLLE Back Panels takes less than a minute and requires no tools. This allows operators to store additional back panels in vehicles or ready rooms for rapid deployment when needed. The MOLLE Back Panel features 6 slots across, and 12 slots down.

MOLLE Back Panel Lite Safety Instruction Guide

Introduction

Thank you for choosing the MOLLE Back Panel Lite by Spiritus Systems. This product is designed to enhance your operational flexibility by allowing you to quickly swap out rear bag loadout configurations. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MOLLE Back Panel Lite by following all instructions and guidelines.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure it is used only by individuals trained in its operation.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the MOLLE Back Panel Lite for any damage or wear before use. Do not use if damaged.
- **Proper Fit:** Ensure that the back panel is properly fitted to your plate carrier to avoid accidents during use.
- **Weight Capacity:** Do not exceed the recommended weight capacity of the MOLLE Back Panel Lite. Overloading can result in failure.
- **Environmental Conditions:** Avoid using the panel in extreme weather conditions that could compromise its integrity.
- **Training:** Ensure that all users are trained in the proper installation and usage of the MOLLE Back Panel Lite.

Instructions for Installation and Usage

1. Installation:

- Locate the attachment points on your plate carrier.
- Align the MOLLE Back Panel Lite with the attachment points.
- Secure the panel using the quick zip installation feature, ensuring it is tightly fastened.

2. Usage:

- Confirm that all pouches and equipment are securely attached to the MOLLE Back Panel Lite.
- Regularly check the attachment points during use to ensure they remain secure.
- If you need to swap out the back panel, follow these steps:
 - Unzip the current back panel.
 - Remove the panel from the attachment points.
 - Install the new back panel by following the installation steps outlined above.

Disposal Instructions

- Dispose of the MOLLE Back Panel Lite in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MOLLE Back Panel Lite, please refer to the contact information provided by your retailer or manufacturer. It is important to reach out for assistance if you have any safety inquiries or require further clarification on product usage.

By adhering to these safety instructions, you can ensure a safe and effective experience with your MOLLE Back Panel Lite. Thank you for your attention to safety.
