

MOLLE TUBES CUMMERBUND - SPIRITUS SYSTEMS MOLLE TUBES CUMMERBUND (SIZE 1), BLACK

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front O V E R T and rear O V E R T or C O V E R TLV/119 plate bag. The TUBES™ MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The TUBES™ MOLLE Cummerbund is a great option for those who are in and out of their vest frequently and have experienced wear and tear on their Velcro attachment vests. It is also a great option for those who are wearing their equipment in and around water. The TUBES™ MOLLE Cummerbund features the officially licensed First Spear TUBES™ Attachments systems developed by and officially licensed from First Spear. The TUBES™ MOLLE Cummerbund is Berry Amendment Compliant materials sourced from industry leaders in textiles manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Velcro is not utilized as an attachment method on the rear plate bag. Velcro wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Velcro doesn't handle weight well and it sticks to everything, especially cloth seats. Every front plate bag comes standard with sewn loops on the sides for attaching First Spear TUBES™ for use with our TUBES™ cummerbund. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for a wide variety of body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. SOLD AS A SET. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

MOLLE Tubes Cumberbund Safety Instructions

Introduction

Thank you for choosing the MOLLE Tubes Cumberbund by Spiritus Systems. This product is designed to enhance your tactical gear experience while ensuring safety and comfort. Please read this guide carefully to understand how to use the cumberbund safely and effectively.

General Safety Guidelines

- Ensure that the cumberbund is used only for its intended purpose as part of the LV/119 Plate Carrier System.
- Regularly inspect the cumberbund for any signs of wear or damage before each use.
- Avoid using the cumberbund if it shows signs of damage, such as fraying, tears, or broken components.
- Keep the cumberbund out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Follow all manufacturer instructions for installation and usage to ensure optimal safety and performance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure a proper fit by measuring your waist at the belly button and selecting the appropriate size: Size 1: 28" to 42" Size 2: 40" to 54"
- If your waist measurement is at the upper limit of Size 1 (42"), we recommend choosing Size 2 for better comfort and adjustment.
- When wearing the cumberbund, ensure that it is securely attached and that no components are loose.
- Avoid using the cumberbund in situations where it could get caught on objects or snagged while moving quickly.
- When operating in cold weather, wear appropriate clothing during measurement to ensure a proper fit.
- Be cautious when using the cumberbund in wet environments, as it may affect the performance of the Velcro and other attachment methods.

Instructions for Installation and Usage

1. Measuring for Fit:

- Measure your waist at the belly button while wearing the clothing you intend to use with the cumberbund.
- Choose the cumberbund size based on your measurement.

2. Attaching the Cumberbund:

- Open the front plate bag and locate the internal attachment points.
- Thread the cumberbund through the attachment points inside the plate bag.
- Adjust the cumberbund to achieve a snug fit without restricting movement.

3. Securing the Cumberbund:

- Ensure that the cumberbund is properly secured and that all attachment points are fastened.
- Check that there are no loose straps or components that could interfere with movement.

4. Wearing the Cumberbund:

- Put on the vest with the cumberbund attached, ensuring a comfortable fit.

- Adjust the cummerbund as needed for comfort and mobility.

5. Maintenance:

- Regularly inspect the cummerbund for wear and tear.
- Clean the cummerbund according to the manufacturer's recommendations to maintain its integrity and performance.

Disposal Instructions

- Dispose of the cummerbund responsibly, following local regulations for textile waste.
- If the cummerbund is damaged beyond use, consider recycling the materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or additional support regarding the MOLLE Tubes Cummerbund, please refer to the manufacturer's website or contact their customer service department.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your MOLLE Tubes Cummerbund!
