

MOLLE TUBES CUMMERBUND - SPIRITUS SYSTEMS MOLLE TUBES CUMMERBUND (SIZE 2), BLACK

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front O V E R T and rear O V E R T or C O V E R TLV/119 plate bag. The TUBES™ MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The TUBES™ MOLLE Cummerbund is a great option for those who are in and out of their vest frequently and have experienced wear and tear on their Velcro attachment vests. It is also a great option for those who are wearing their equipment in and around water. The TUBES™ MOLLE Cummerbund features the officially licensed First Spear TUBES™ Attachments systems developed by and officially licensed from First Spear. The TUBES™ MOLLE Cummerbund is Berry Amendment Compliant materials sourced from industry leaders in textiles manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Velcro is not utilized as an attachment method on the rear plate bag. Velcro wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Velcro doesn't handle weight well and it sticks to everything, especially cloth seats. Every front plate bag comes standard with sewn loops on the sides for attaching First Spear TUBES™ for use with our TUBES™ cummerbund. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for a wide variety of body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. SOLD AS A SET. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

Safety Instruction Guide for MOLLE Tubes Cumberbund (Size 2)

Introduction

Thank you for choosing the MOLLE Tubes Cumberbund by Spiritus Systems. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure safe use of the MOLLE Tubes Cumberbund by following these guidelines:
 - Always inspect the cumberbund for any signs of wear, damage, or defects before use.
 - Do not use the cumberbund if it appears compromised in any way.
 - Store the cumberbund in a dry place away from direct sunlight to prevent material degradation.
 - Keep the cumberbund out of reach of children and vulnerable individuals.
 - Ensure that all components are correctly attached and secured before wearing.
- In case of an emergency or malfunction, report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- When wearing the MOLLE Tubes Cumberbund:
 - Ensure that the cumberbund is fitted properly to avoid shifting during movement.
 - Do not overload the cumberbund with excessive weight beyond its designed capacity.
 - Be cautious when exiting vehicles or engaging in activities that may lead to snagging or tearing of the cumberbund.
 - Avoid using the cumberbund in situations where it may become submerged or excessively wet, unless specifically designed for such use.
- For specific user groups:
 - Individuals with sensitivities to certain materials should check for compatibility with the cumberbund's textile composition.
 - Ensure that users are adequately trained in the use of tactical gear before wearing the cumberbund.

Instructions for Installation and Usage

- To install the MOLLE Tubes Cumberbund:
 - Ensure that you have the appropriate size (Size 1 or Size 2) for your waist measurement.
 - Measure your waist at the belly button and select Size 1 (28" to 42") or Size 2 (40" to 54").
 - If your waist measurement is exactly 42", it is recommended to choose Size 2 for optimal fit.
- Attaching the cumberbund:
 - Open the front and rear plate bags of the LV/119 Plate Carrier System.
 - Insert the cumberbund inside the plate bag, ensuring it is aligned correctly.
 - Secure the cumberbund using the proprietary attachment system, ensuring that it is snug but

- comfortable.
- Adjust the cummerbund for a proper fit, allowing up to 14 inches of total adjustment.
- To use the MOLLE Tubes Cummerbund:
 - Ensure that all MOLLE attachments are securely fastened and do not obstruct movement.
 - Regularly check the attachment points for any signs of wear or loosening.

Disposal Instructions

- When disposing of the MOLLE Tubes Cummerbund:
 - Follow local regulations for textile disposal.
 - If the cummerbund is damaged beyond repair, consider recycling the materials if possible.
 - Do not dispose of the cummerbund in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries or further assistance regarding the MOLLE Tubes Cummerbund, please refer to the manufacturer's website or customer service resources.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MOLLE Tubes Cummerbund. Thank you for your attention to safety and proper use.
