

MOLLE HOOK & LOOP CUMMERBUND - SPIRITUS SYSTEMS MOLLE HOOK & LOOP CUMMERBUND (SIZE 1), BLACK

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front and rear LV/119 plate bag. The Hook & Loop MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The Hook & Loop MOLLE Cummerbund features premium, Berry Amendment Compliant materials sourced from industry leaders in textiles' manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Hook & Loop is not utilized as an attachment method on the rear plate bag. Hook & Loop wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Hook & Loop doesn't handle weight well and it sticks to everything, especially cloth seats. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for all body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" SOLD AS A SET. If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

MOLLE Hook & Loop Cummerbund Safety Instruction Guide

Introduction

Thank you for choosing the MOLLE Hook & Loop Cummerbund by Spiritus Systems. This guide provides essential safety instructions and information to ensure the safe and effective use of your cummerbund. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** This cummerbund is designed for safe use in conjunction with LV/119 plate bags. Ensure that you follow all safety guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. Follow instructions provided in recall notices.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety regulations.
- **Special Consumer Focus:** This product is designed for adult users. Ensure that it is not used by children or vulnerable individuals without appropriate supervision.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the cummerbund is fitted correctly to avoid discomfort or injury. Measure your waist at the belly button and select the appropriate size.
 - Size 1: 28" to 42"
 - Size 2: 40" to 54"
- **Avoid External Mounting:** The cummerbund attaches inside the plate bag. Do not attempt to mount it externally to prevent snagging or ripping during movement.
- **Weight Handling:** Be aware that Hook & Loop does not handle weight well. Avoid overloading the cummerbund with heavy accessories.
- **Clothing Considerations:** When measuring for size, wear clothing similar to what you will wear during actual use, especially in varying climates (e.g., cold weather gear in arctic environments).
- **Check for Wear:** Regularly inspect the cummerbund for signs of wear or damage. Replace if the Hook & Loop shows signs of degradation.

Instructions for Installation and Usage

1. Installation:

- Open the plate bag and locate the internal attachment points.
- Insert the cummerbund into the designated slots within the plate bag.
- Adjust the cummerbund to fit snugly around your waist, ensuring it is secure.
- Ensure that the Hook & Loop attachment is properly aligned and secured.

2. Usage:

- Wear the cummerbund underneath your clothing for a smooth profile.
- Ensure that any MOLLE accessories are securely attached and do not interfere with movement.
- Regularly check the fit and make adjustments as necessary to maintain comfort and safety.

Disposal Instructions

- Dispose of the cummerbund responsibly.
- If the product is damaged or no longer in use, please recycle it according to local regulations.
- Do not dispose of in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of your MOLLE Hook & Loop Cummerbund, please refer to the manufacturer's contact information provided at the point of purchase or on the product packaging.

Thank you for your attention to these safety instructions. Enjoy the benefits of your MOLLE Hook & Loop Cummerbund while ensuring your safety and comfort.
