

# MOLLE HOOK & LOOP CUMMERBUND (SIZE 2), MULTICAM

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front and rear LV/119 plate bag. The Hook & Loop MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The Hook & Loop MOLLE Cummerbund features premium, Berry Amendment Compliant materials sourced from industry leaders in textiles' manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Hook & Loop is not utilized as an attachment method on the rear plate bag. Hook & Loop wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Hook & Loop doesn't handle weight well and it sticks to everything, especially cloth seats. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for all body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" SOLD AS A SET. If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

## Attributes

- Name: [MOLLE HOOK & LOOP CUMMERBUND \(SIZE 2\), MULTICAM](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430100600

# MOLLE Hook & Loop Cummerbund Safety Instructions

## Introduction

Thank you for choosing the MOLLE Hook & Loop Cummerbund. This product is designed to enhance your tactical gear by providing a versatile and adjustable load carriage solution. To ensure your safety and the effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MOLLE Hook & Loop Cummerbund. This product is designed for tactical use and should only be used as intended.
- **Enhanced Recalls:** In case of any safety concerns or recalls, stay informed through official channels. This product is subject to EU safety regulations.
- **Online Shopping Protections:** When purchasing online, ensure that the seller complies with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is used only by adults trained in tactical operations.
- **EU Contact Point:** For safety inquiries related to this product, please refer to the information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts concerning this product.

## Specific Safety Precautions for Use

- **Proper Fit:** Measure your waist at the belly button to ensure the correct size. Size 1 fits waists from 28" to 42", and Size 2 fits waists from 40" to 54". If your waist measurement is at the upper limit, opt for the larger size.
- **Clothing Considerations:** When measuring for fit, wear clothing similar to what you would wear while using the cummerbund in the field. For cold environments, wear appropriate cold weather gear.
- **Attachment Method:** The cummerbund attaches inside the plate bag. Ensure that it is properly secured to avoid any accidental detachment during use.
- **Avoid Snagging:** Be cautious when exiting vehicles or moving through tight spaces to prevent snagging the cummerbund on external objects.
- **Weight Handling:** Be mindful that the Hook & Loop attachment may not support heavy loads effectively. Avoid overloading the cummerbund with excessively heavy items.

## Instructions for Installation and Usage

### 1. Installation:

- Open the plate bag and locate the internal attachment points for the cummerbund.
- Align the cummerbund with the attachment points and secure it in place according to the manufacturer's instructions.
- Ensure that the cummerbund is snug but not overly tight, allowing for comfortable movement.

### 2. Usage:

- Adjust the cummerbund to fit your waist size, utilizing the available adjustment range for a secure fit.
- Ensure that any MOLLE accessories are properly attached and do not obstruct movement.
- Regularly check the cummerbund for wear and tear, especially the Hook & Loop areas, and

replace if necessary.

### **3. PostUse Care:**

- After use, inspect the cummerbund for any damage or wear.
- Clean the cummerbund according to the manufacturer's care instructions to maintain its integrity and functionality.

## **Disposal Instructions**

- When the MOLLE Hook & Loop Cummerbund reaches the end of its usable life, dispose of it in accordance with local waste management regulations.
- Consider recycling materials where possible, especially if they are made from recyclable textiles.

## **Contact Information for Further Support**

For any questions regarding the MOLLE Hook & Loop Cummerbund or its usage, please reach out to your retailer or the manufacturer directly for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your MOLLE Hook & Loop Cummerbund. Thank you for your attention to safety and proper usage.
